3. Signatures

All bids, notifications, claims, and statements must be signed by an individual authorized to bind the bidder. The individual signing certifies, under penalty of perjury, that he or she has the legal authorization to bind the bidder.

4. Rejection or Withdrawal

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Leon County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within 90 days after opening date.

5. Award

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Leon County – price and other factors considered. Unless otherwise specified in this IFB, Leon County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Leon County. Any bidder who is in default to Leon County at the time of submittal of the bid shall have that bid rejected. Leon County reserves the right to clarify any

contractual terms with the concurrence of the Contractor; however, any substantial nonconformity in the offer, as determined by Leon County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Leon County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment. In addition, Leon County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

In the event the lowest dollar offeror meeting specifications is not an awarded contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Auditor's Office of Offeror's intent to appear.

6. Contract

A response to an IFB is an offer to contract with Leon County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Leon County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

7. Bid Results

Information on all changes or addenda issued will be available at the Auditor's Office.

References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Leon County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid. Leon County reserves the right to determine if equipment/product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

Inquiries received that are not made in a timely fashion may or may not be considered.

Scope

Vendor shall provide Leon County with the Hauling of Aggregate Materials via Belly Dump and Bob Tail to meet or exceed the specifications listed below. Bids are solicited for furnishing the merchandise, supplies, service, and/or equipment set forth in this bid request for a period beginning on the award date and ending one year later. The County reserves the option to extend this contract for up to four (4) additional twelve (12) month terms upon agreement with the vendor, based upon the same terms, conditions and pricing as the original year. Renewal is subject to approval by the Leon County Commissioner's Court. Once renewal options are exhausted, the contract must be rebid. Leon County reserves the right to rebid at any time as is in its best interest and is not automatically bound to renew.

Delivery

The successful bidder is responsible to be familiar with the geographical areas of Leon County. A map of Leon County is available for viewing in the County Auditor's Office.

Basis of Award

Leon County reserves the right to award contracts on a line by line basis for the cost of transportation (mileage w/fuel surcharge) the County will experience to deliver the product to the desired locations, as it deems to be in the best interest of the County. In the event the lowest awarded vendor is unable to respond, Leon County shall commence request with the next to lowest awarded bidder (and so on). Bidder is requested to state minimum delivery quantity (if any) and any limitations on delivery schedule (if any) and this will be an important consideration in the determination of the lowest and best bid.
