LEON COUNTY GENERAL TERMS AND CONDITIONS	28

INTRODUCTION

Leon County, Texas is accepting sealed bids for RFB 2027-362 Term Contract for Solid Waste Collection and Disposal Services. This Request for Bid is issued to establish a term contract for services at designated County collection sites.

The successful Contractor shall provide the equipment, containers, hauling, disposal arrangements, maintenance, repairs, and related services necessary to keep the designated County collection sites operational and available to the public.

These instructions, specifications, terms, conditions, forms, and attachments constitute the complete bid package. Bidders are responsible for reviewing all documents carefully and submitting a complete response. Any exception to the requirements of this RFB must be stated clearly in writing and submitted with the bid.

Leon County reserves the right to reject any bid that fails to meet the mandatory requirements, does not comply with the specifications, is incomplete or non-responsive, exceeds budgetary limitations, or is otherwise determined not to be in the best interest of Leon County.

APPLICABILITY OF GENERAL TERMS AND CONDITIONS

Leon County's General Terms and Conditions are attached as Exhibit F and are incorporated into this RFB and any resulting contract, purchase order, renewal, invoice, or other procurement document. The RFB-specific instructions, specifications, pricing requirements, service levels, equipment and container requirements, disposal requirements, and bid submission requirements stated in this solicitation apply to this procurement. To the extent a bidder's or Contractor's bid, quote, invoice, acknowledgment, website terms, or other document conflicts with this RFB or Leon County's General Terms and Conditions, the County's terms shall control unless expressly accepted in writing by an authorized Leon County representative.

SCHEDULE

Event Date / Time

<i>Issue RFB</i>	August 5, 2026
<i>Written Inquiries must be received by</i>	August 14, 2026 by 5:00 p.m.
<i>Responses to inquiries / final addenda posted by</i>	August 18, 2026
<i>Bids Due</i>	August 20, 2026 at 2:00 p.m.
<i>Bid Opening</i>	August 20, 2026 at 2:00 p.m.

Please be sure to submit all required forms and documentation.

Questions concerning this RFB should be directed in writing to the Leon County Auditor's Office, Attn: Courtney Spence.
Email courtney.spence@co.leon.tx.us with RFB 2027-362 in the subject line.

OVERVIEW

Leon County is soliciting sealed, fixed-unit-price bids for solid waste collection and disposal services at designated County collection sites. The resulting agreement will establish firm unit pricing for equipment and container rental, hauling, disposal, scrap-metal service, and related services.

Services will be provided on a scheduled and as-needed basis. The Contractor's primary responsibility is to remove full containers and provide empty replacement containers within the required timeframe so collection sites remain open and usable.

The number of service locations, container quantities, service frequencies, and level of service may be adjusted in writing as County needs change. Estimated quantities and usage are not guaranteed.

SCOPE OF WORK

The Contractor shall provide the equipment, containers, hauling, disposal arrangements, maintenance, repairs, and related services necessary to keep Leon County's designated collection sites operational.

The work includes furnishing and maintaining compactors and receiving containers; providing open-top roll-off containers for trash, scrap metal, and event waste; hauling and exchanging containers; transporting waste to legally authorized disposal facilities; paying applicable disposal fees; handling scrap metal and County credits; and providing required invoices and supporting tickets.

SERVICE LOCATIONS AND EQUIPMENT REQUIREMENTS

The Contractor shall provide and maintain the minimum equipment required for each designated collection site. Equipment quantities shown for the listed locations are minimum service requirements for each designated location. The number of locations, equipment quantities, container types, service frequency, hauling activity, and disposal tonnage may vary during the contract term and are not guaranteed. Adjustments to required equipment or service levels may be made only with written approval from Leon County based on County service requirements.

Location	Address	Minimum Required Equipment / Service
Precinct 1 – Centerville	1110 Hwy 75 North, Centerville, TX 75833	One 2 Cu. Yd. compactor with 40-yard receiving container; three 30 Cu. Yd. open-top trash roll-offs; one 30 Cu. Yd. open-top scrap metal roll-off.
Precinct 3 – Jewett / Buffalo	8927 CR 330 Buffalo, TX 75831	One 2 Cu. Yd. compactor with 40-yard receiving container; one 30 Cu. Yd. open-top trash roll-off.
Precinct 4 – Marquez	4756 CR 432, Marquez, TX 77865	One 2 Cu. Yd. compactor with 40-yard receiving container; five 30 Cu. Yd. open-top trash roll-offs; one 30 Cu. Yd. open-top scrap metal roll-off.
Precinct 4 – Flynn / Normangee	10455 FM 39 South, Normangee, TX 77871	One 2 Cu. Yd. compactor with 40-yard receiving container; six 30 Cu. Yd. open-top trash roll-offs; one 30 Cu. Yd. open-top scrap metal roll-off.
Leon County Expo Center	3637 County Road 305, Buffalo, TX 75831	One 30 Cu. Yd. open-top trash/event roll-off on an as-needed basis; one 30 Cu. Yd. open-top scrap metal roll-off, if requested by Leon County.

All compactor equipment installed at existing collection sites shall be compatible with available 220-volt single-phase power. Existing concrete mounting pads are available at the designated collection sites. Leon County will provide existing electrical service up to and including the meter. The Contractor shall be responsible for all connections, disconnects, controls, wiring, electrical components, maintenance, and repairs associated with Contractor-provided equipment beyond the meter. The Contractor shall not be responsible for preexisting County electrical infrastructure except to the extent damaged by the Contractor.

MINIMUM QUALIFICATIONS

Bidders must demonstrate that they are qualified, experienced, properly equipped, and legally authorized to perform the required services. Each bidder must meet the following qualifications at the time of bid submission and maintain them throughout the initial contract term and any approved renewal period.

- Experience providing solid waste collection, hauling, roll-off container, compactor, or comparable waste-management services.
- Access to sufficient personnel, vehicles, containers, equipment, and disposal facilities to perform the required services beginning on the contract start date.
- Ability to acknowledge County service requests, exchange full containers within the required twenty-four-hour timeframe, and provide temporary or replacement equipment when necessary.
- Maintenance of all licenses, permits, legal authority, and insurance required to perform the services.
- Ability to provide scrap-metal collection and reasonable transaction documentation showing the credit due to Leon County.
- At least three references for current or recently completed similar services, submitted using Exhibit A.

Leon County may request reasonable supporting information to verify these qualifications. Failure to demonstrate compliance may result in a bid being deemed non-responsive or a bidder being determined non-responsive.

SUBCONTRACTORS

The Contractor may use subcontractors when reasonably necessary. Upon request, the Contractor shall identify any subcontractor performing a material portion of the work. The Contractor remains fully responsible for all services, compliance, invoicing, damages, and performance of its subcontractors. The contract may not be assigned or subcontracted in whole or in substantial part without prior written approval from Leon County.

BACKGROUND CHECKS AND SECURITY

Leon County does not anticipate routine background checks for personnel performing collection-site services. However, as a precaution, the County may require reasonable background screening or additional security procedures if Contractor personnel must enter a secured or restricted County area or if a specific safety or security concern arises. Contractor personnel shall comply with reasonable County site rules and instructions while on County property.

SERVICE LEVELS AND RESPONSE REQUIREMENTS

The Contractor shall provide timely and dependable service sufficient to keep each County collection site operational, accessible, and available to the public.

The Contractor shall maintain a primary service contact and an after-hours contact for County service requests. Contact information shall remain current, and any change shall be provided to Leon County in writing.

Location	Address	Normal Public Operating Hours	Site Notes
Precinct 1 – Centerville	1110 Hwy 75 North Centerville, TX 75833	Wednesday and Saturday 7:30 a.m.–3:30 p.m.	—
Precinct 3 – Jewett / Buffalo	8927 CR 330 (Across from Bobo's) Buffalo, TX 75831	Wednesday and Saturday 8:00 a.m.–1:00 p.m.	Household trash only
Precinct 4 – Marquez	4756 CR 432 Marquez, TX 77865	Tuesday, Thursday, and Saturday 8:00 a.m.–4:00 p.m.	—
Precinct 4 – Flynn / Normangee	10455 FM 39 South Normangee, TX 77871	Tuesday, Thursday, and Saturday 8:00 a.m.–4:00 p.m.	—
Leon County Expo Center	3637 County Road 305 Buffalo, TX 75831	As needed	Event-based service upon request

Operating hours are provided for Contractor planning and coordination and may be changed by Leon County upon written notice. These hours identify when the collection sites are normally open to the public and do not establish a guaranteed number of hauls or limit the Contractor's obligation to provide timely service. The Contractor shall coordinate hauling and container exchanges to minimize interference with public access and County operations. When necessary to meet the required service timeframe, the Contractor may be required to service a site outside normal public operating hours, subject to County access and coordination.

- Acknowledge each County service request and provide an estimated service time as soon as practical.
- Remove the full container and place an empty replacement during the same service visit. The exchange shall be completed within twenty-four hours after County notice unless Leon County approves a different timeframe in writing.
- Promptly notify Leon County if any condition may prevent completion within the required timeframe and provide an updated estimated service time.
- Maintain Contractor-provided equipment in safe and operational condition. Failed equipment shall be repaired or replaced within seventy-two hours after County notice. When a failure interferes with public use of a site, the Contractor shall provide temporary equipment, supplemental hauling, or another reasonable method of maintaining service.

Repeated failure to exchange containers within the required timeframe, particularly when the delay causes overflow, site closure, interruption of service, or members of the public being turned away, may constitute a material service failure.

DISPOSAL FACILITY AND REGULATORY COMPLIANCE

The Contractor shall be responsible for contracting with and paying all landfill, transfer station, recycling, scrap-metal, or other disposal facilities used in performing the contract. Waste shall be transported to and disposed of at facilities legally authorized to accept the applicable materials.

The Contractor shall identify the primary disposal facility proposed for use and shall notify Leon County of any change that may affect pricing, service availability, or lawful disposal. Permit or authorization documentation shall be provided upon reasonable request. A backup facility may be identified if available but is not required.

The Contractor shall promptly notify Leon County of any facility closure, disposal restriction, rejected load, spill, release, citation, or other condition that may delay service or affect lawful disposal.

The Contractor shall be responsible for containing and properly cleaning up spills, leaks, releases, discharges, or debris caused by the Contractor's vehicles, equipment, containers, employees, subcontractors, hauling, or handling activities, except to the extent directly caused by Leon County.

REJECTED LOADS, ADDITIONAL CHARGES, AND UNAUTHORIZED DUMPING

If a load is rejected, reclassified, delayed, or assessed an additional disposal charge, the Contractor shall notify Leon County as soon as practical and provide reasonable supporting documentation, such as the service location, date, facility ticket or notice, photographs when available, the reason for the charge, and the itemized amount.

No rejected-load, contamination, prohibited-item, special-handling, return-trip, reload, or similar charge shall be billed unless the charge and applicable unit price are listed in the awarded pricing and supported by documentation, or the charge is approved in writing by Leon County before it is incurred when prior approval is reasonably possible.

If the Contractor observes suspected unauthorized dumping at a County collection site or in a County container, the Contractor shall notify Leon County and provide available information that can be safely obtained. The Contractor shall reasonably cooperate with the County in documenting and addressing the condition.

SCRAP METAL COLLECTION AND COUNTY CREDIT

The Contractor shall provide scrap metal collection at the locations identified in this solicitation and shall arrange for sale or recycling of scrap metal collected from Leon County sites.

Bidders shall identify the proposed scrap metal vendor or recycling arrangement, the method used to establish pricing, the documentation to be provided for each transaction, and the method by which proceeds will be credited to Leon County.

All gross proceeds from the sale or recycling of scrap metal collected from Leon County sites shall be credited in full to Leon County and clearly itemized on invoices or supporting documentation. The County credit shall equal the full gross amount shown on the recycling facility or scrap purchaser settlement statement, without deduction for administrative, processing, handling, or other expenses. Any separate scrap metal hauling charge must be stated in the awarded Bid Proposal. Scrap metal loads shall be tracked separately from general trash and shall not be commingled in a manner that prevents proper documentation or credit to the County.

PURCHASE ORDERS, INVOICING, AND RECORDS

Leon County will issue an annual or site-specific purchase order authorizing routine rental, hauling, disposal, and container-exchange services under the awarded contract. Individual written authorization is not required for routine services covered by that purchase order. Separate written authorization is required for additional equipment, non-routine services, unlisted charges, or work outside the awarded scope.

- A purchase order is valid only during the County fiscal year in which it is issued. If services continue into a new fiscal year, a new purchase order will be required.
- Invoices shall be submitted no later than the 15th day of the month following the month in which services were performed, unless otherwise directed by the Leon County Auditor's Office. Invoices should be emailed to auditor@co.leon.tx.us or mailed to Leon County Auditor, P.O. Box 898, Centerville, TX 75833.
- Leon County shall not be responsible for unauthorized charges, surcharges, fuel fees, environmental fees, administrative fees, or other costs unless: (1) the charge and applicable unit price are included in the awarded pricing and the occurrence is supported by the required documentation; or (2) the charge is approved in writing by Leon County before it is incurred.

INVOICE REQUIREMENTS

- Vendor name and remittance address
- Leon County purchase order number
- Service location
- Date of service
- Container type and size
- Hauling or exchange charge
- Disposal tonnage and per-ton disposal charge
- Monthly equipment or container rental charge, if applicable
- Scrap-metal hauling charge and County credit, if applicable
- Applicable landfill, weight, scale, disposal, or recycling tickets
- Documentation for a rejected load or additional charge, only when such a charge is billed

RECORDS

The Contractor shall provide load tickets, landfill weight tickets, scale tickets, recycling receipts, scrap metal transaction records, and all other supporting documentation with each invoice or promptly upon request by Leon County. Records shall be retained for at least four (4) years after final payment, contract closeout, expiration, or termination, whichever is later, unless a longer period is required by law, grant terms, audit, litigation hold, public-information requirements, or written County direction.

BID PRICING REQUIREMENTS

Bidders shall submit firm unit pricing in the required Bid Proposal format. Only pricing submitted in the County's required format will be used for bid evaluation and award recommendation.

Required pricing items include, as applicable:

- Monthly compactor and receiving-container rental by location;
- Monthly open-top roll-off container rental by location and container type;

For regularly assigned open-top roll-off containers, the monthly rental price shall include initial delivery, placement, continued availability, routine maintenance, normal wear and tear, and final removal at contract expiration. Hauling and

disposal shall be priced separately. This does not replace the separate delivery and rental pricing requested for the Leon County Expo Center.

- Hauling charge per load for each container pickup or exchange;
- Landfill or disposal fee per ton;
- Scrap-metal hauling charge per load;
- Scrap-metal payment or credit basis and method of calculation; and
- Any other charge proposed by the bidder must be listed on the Optional Additional Charges form.

Evaluated Unit Price Cost to the County

Leon County will compare bids using the submitted monthly rental, hauling, per-ton disposal, scrap-metal hauling, and Expo Center unit prices. Because actual scrap-metal quantities and market prices are not guaranteed, scrap-metal credits will not be deducted from the evaluated bid total. The proposed credit method will be reviewed for compliance with this RFB.

Unit prices shall govern in the event of a discrepancy between a unit price and any extension, calculation, or total.

Disposal tonnage must be supported by landfill weight tickets, scale tickets, disposal-facility invoices, or other reasonable documentation. Estimated tonnage alone is not sufficient for billing.

EVALUATION CRITERIA

Leon County will first determine whether each bid is responsive and whether each bidder is responsible and capable of performance. Among bids meeting those requirements, the County may award by item, service location, group of locations, or total bid to the responsive and responsible bidder or bidders submitting the lowest and best evaluated bid, as determined in accordance with this solicitation and applicable law.

For bid comparison, monthly rental items will be calculated using the listed quantity multiplied by twelve months and the submitted monthly unit price. Hauling and disposal items will be calculated using the stated estimated annual loads or tons multiplied by the submitted unit price. As-needed items without a stated annual quantity will be compared by unit price. Estimated quantities are used only for comparison and do not guarantee actual usage.

The following factors will be considered in determining bid responsiveness and bidder responsibility. They will not be separately scored unless Leon County states otherwise in a written addendum:

EVALUATED UNIT PRICE COST

Total evaluated cost using the required unit prices submitted in the Bid Proposal.

COMPLIANCE WITH SPECIFICATIONS

Compliance with the required equipment, pricing, container-exchange timeframe, insurance, and other material terms of this solicitation.

SERVICE CAPACITY AND RESPONSE CAPABILITY

Ability to provide the required equipment, acknowledge service requests, exchange full containers within twenty-four hours, address missed service or overflow, and maintain site operations when equipment or service problems occur.

BIDDER RESPONSIBILITY AND PAST PERFORMANCE

Relevant experience, references, service reliability, past performance, insurance, and legal authority to perform the services. Governmental references are preferred but not required, and a bidder will not be favored or disfavored solely because its references are governmental or non-governmental.

Leon County reserves the right to reject any bid that is incomplete, non-responsive, submitted by a non-responsible bidder, does not meet the material specifications, exceeds budgetary limitations, or is otherwise determined not to be in the best interest of Leon County.

REQUEST FOR BID

BID SUBMISSION

The bidder is expected to thoroughly examine the specifications and all instructions contained in this RFB. Provide one (1) original signed in ink and one (1) copy of the bid, sealed in a marked envelope, to: LEON COUNTY AUDITOR, 113 W. MAIN, CENTERVILLE, TEXAS 75833. Sealed bids shall be received no later than 2:00 p.m. on Thursday, August 20, 2026. Bids will be publicly opened at 2:00 p.m. on Thursday, August 20, 2026 in the County Auditor's Conference Room located on the second floor of the Annex 1 Building, 113 W. Main, Centerville, Texas 75833. Mark the outside of each envelope: "RFB 2027-362: TERM CONTRACT FOR SOLID WASTE COLLECTION AND DISPOSAL SERVICES."

LATE BIDS

Bids received after the submission deadline shall be considered void and unacceptable and will be returned unopened to the bidder. Leon County is not responsible for lateness of mail, carrier, delivery service, or other delay. The time and date recorded by the County Auditor's Office shall be the official time of receipt.

ALTERING BIDS

Any interlineation, alteration, or erasure made to the bid must be initialed by the signer of the bid prior to the submission deadline.

WITHDRAWAL OF BID

A bid may not be withdrawn or cancelled by the bidder for a period of ninety (90) days following the date designated for receipt of bids without prior approval by the Commissioners Court based on a written acceptable reason.

BID OPENING

Bids will be received, publicly opened, and read aloud at the location, date, and time stated in this solicitation. Bidders, their representatives, and interested persons may be present. All bids shall be open for public inspection after public opening, except for information properly identified as confidential and submitted in accordance with law.

AWARD OF BIDS

Leon County reserves the right to accept or reject all or any part of any bid, waive minor technicalities, and award by item, service location, group of locations, or total bid to the responsive and responsible bidder or bidders submitting the lowest and best evaluated bid determined to meet the County's operational needs and be in the best interest of Leon County. Leon County may designate a primary and secondary or alternate contractor by service location when determined necessary for service continuity. Leon County is not required to award to the bidder submitting the lowest apparent or unadjusted price when the bid is non-responsive, the bidder is non-responsible, the evaluated cost is not the lowest, or a documented award by item, location, or group is determined to be in the County's best interest.

FORMATION OF CONTRACT

A response to this solicitation is an offer to contract with Leon County based upon the terms, conditions, scope of work, and specifications contained in this request. A solicitation shall become a contract when awarded by the Leon County Commissioners Court and a purchase order, notice of award, or notice to proceed is issued to the successful bidder.

CONTRACT TERM

The initial contract term shall begin October 1, 2026, and end September 30, 2027. The contract may be renewed for up to four (4) additional one-year terms under the same terms and conditions, subject to satisfactory performance, mutual agreement, appropriation of funds, and approval by the Leon County Commissioners Court. Leon County reserves the right to review contractor performance, pricing, and service levels prior to exercising any renewal option.

PRICE REVIEW DURING RENEWAL PERIODS

Prices shall remain firm during the initial contract term. Prior to the expiration of the then-current contract term, Leon County will review the contract, contractor performance, current pricing, service needs, budget availability, and the best interest of the County to determine whether to recommend renewal or rebid of the services. If Leon County elects to consider renewal, the Contractor may submit updated pricing or proposed pricing changes for the renewal period. Any proposed pricing change must be submitted in writing to the Leon County Auditor's Office and must identify the affected bid item, the current awarded price, the proposed renewal price, and the reason for the requested change. Supporting

documentation may be requested by Leon County. No renewal pricing shall be effective unless approved by the Leon County Commissioners Court or otherwise approved in writing as required by County policy and applicable law.

SERVICE FAILURE AND REMEDIES

A service failure includes failure to remove and replace a full container within the required timeframe, particularly when the delay causes overflow, site closure, interruption of operations, or members of the public being turned away. Other service failures include repeated missed service, failure to repair or replace equipment within the required timeframe, unauthorized charges, or improper disposal.

Upon a service failure, Leon County may provide notice and require prompt correction, obtain substitute or supplemental service, withhold payment for services not performed, require a corrective action plan when failures are repeated or material, terminate the contract for default, or pursue any other available remedy.

Repeated or material failure to perform may be considered cause for termination and may be considered when Leon County determines whether to renew, rebid, or otherwise continue the services.

SUBSTITUTE SERVICES AND EXCESS COSTS

If the Contractor fails to provide required services, equipment, hauling, disposal, or corrective action within the required timeframe, Leon County may obtain substitute or supplemental services from another source. The Contractor shall be responsible for the reasonable documented costs incurred by the County that exceed the amount the County would have paid the Contractor for the same services. The County may deduct such amounts from payments otherwise due to the Contractor or pursue recovery through any other remedy available under the contract or applicable law. Obtaining substitute services shall not waive the County's right to terminate the contract for default.

INSURANCE

The successful Contractor shall provide and maintain the insurance required by Exhibit B. Evidence of coverage must be submitted within ten (10) calendar days after Notice of Award and before performance begins.

TERMINATION

Termination, cancellation for default, and related remedies are governed by this RFB, any resulting contract or purchase order, Exhibit F - Leon County General Terms and Conditions, and applicable law. Leon County reserves the right to terminate upon breach of contract as allowed by law.

PERFORMANCE OF CONTRACT

The Contractor shall perform all work in a professional, timely, and workmanlike manner, to the satisfaction of Leon County Commissioners Court or designated representatives. Failure to perform may result in remedies available under this RFB, Exhibit F, the resulting contract or purchase order, County policy, and applicable law.

VARIATION IN QUANTITY

Estimated service frequencies, container quantities, loads, tonnage, and usage are provided for bidding and evaluation purposes only. Leon County assumes no obligation to purchase or use any minimum quantity of services and assumes no liability for services or equipment provided in excess of authorized amounts.

NON-EXCLUSIVE CONTRACT

Leon County reserves the right to obtain solid-waste collection, hauling, disposal, emergency, supplemental, or specialized services from other lawful sources when necessary. Such use shall not violate the terms of this contract.

ADDENDA

Any interpretations, corrections, or changes to this RFB will be made by addenda. Sole issuing authority of addenda shall be vested in the Leon County Auditor. Bidders are responsible for ensuring that all addenda are received, signed, and included with their submission. Failure to submit all signed addenda may result in the bid being considered non-responsive.

INDEMNIFICATION

By entering into this contract, the Contractor agrees to defend, indemnify, and hold harmless Leon County and its officers, agents, and employees from claims, damages, losses, and expenses arising from the Contractor's breach, negligence, fault, acts, or omissions, or those of its agents, employees, subcontractors, invitees, or suppliers, to the extent allowed by law.

WARRANTY

The Contractor shall not limit or exclude any express, written, or implied warranties, and any attempt to do so shall render the contract voidable at the option of Leon County. Equipment, containers, workmanship, and services shall conform to the specifications, good commercial practice, and applicable safety and legal requirements and shall be suitable for the intended public use. The warranties and remedies stated in Exhibit F and applicable law also apply.

TITLE AND RISK OF LOSS

Title and risk of loss for Contractor-owned equipment shall remain with the Contractor. The Contractor is responsible for maintaining and protecting Contractor-provided equipment, containers, and vehicles used in the performance of this contract.

DAMAGE TO CONTRACTOR-OWNED EQUIPMENT

The Contractor is responsible for normal wear and tear, routine maintenance, repair, protection, and replacement of Contractor-owned equipment. Leon County shall be responsible only for documented damage directly caused by the negligent act or omission of a County employee or by County-owned equipment.

Any claim must be submitted promptly in writing with reasonable supporting documentation and must be approved in writing by Leon County before reimbursement. Any approved reimbursement shall be limited to the documented, reasonable, and necessary cost attributable to damage determined to have been caused by Leon County.

PAYMENT

Payment will be made after County receipt and acceptance of properly authorized goods or services and receipt of a valid invoice, in accordance with Texas Government Code Chapter 2251 and Exhibit F - Leon County General Terms and Conditions. In accordance with Texas Government Code Section 2251.022, the Contractor shall pay subcontractors within the time required by law after receipt of payment.

DISCOUNTS

Prompt payment discounts, if offered, may be accepted by Leon County but shall not be used to determine the lowest responsible bid unless expressly requested in the Bid Proposal.

CONFLICT OF INTEREST QUESTIONNAIRE (CIQ)

Chapter 176 of the Texas Local Government Code requires certain vendors and persons doing business with a local government entity to disclose affiliations or business relationships that might cause a conflict of interest. If applicable, the Conflict of Interest Questionnaire must be filed as required by law.

HB 1295

Bidder must complete a Form 1295 filing, Disclosure of Interested Parties, on the Texas Ethics Commission website when required by law and prior to issuance of any notice to proceed or contract execution. For form item #3, use "RFB 2027-362: TERM CONTRACT FOR SOLID WASTE COLLECTION AND DISPOSAL SERVICES."

PERFORMANCE AND PAYMENT BONDS

Performance and payment bonds are not anticipated for routine solid-waste collection and disposal services unless required by law, grant conditions, or a specific written request by Leon County. If any portion of the work is determined to require bonds under Texas Government Code Chapter 2253 or other applicable law, the Contractor shall furnish the required bonds prior to execution of that work.

PREVAILING WAGE RATES

Prevailing wage requirements are not anticipated to apply to routine solid-waste collection and disposal services. If a purchase order, project, or funding source includes work subject to Texas Government Code Chapter 2258, the Davis-Bacon Act, or other prevailing wage requirements, the Contractor and subcontractors shall comply with all applicable wage determinations and labor standards.

Attachment 1: Locations

Location	Address
<i>Precinct 1 – Centerville</i>	1110 Hwy 75 North, Centerville, TX 75833
<i>Precinct 3 – Jewett / Buffalo</i>	8927 CR 330 (Across from Bobo's), Buffalo, TX 75831
<i>Precinct 4 – Marquez</i>	4756 CR 432, Marquez, TX 77865
<i>Precinct 4 – Flynn / Normangee</i>	10455 FM 39 South, Normangee, TX 77871
<i>Leon County Expo Center</i>	3637 County Road 305, Buffalo, TX 75831

Services shall be provided at the designated Leon County collection sites listed above. The number of service locations is subject to change during the contract term as County needs change.

BID SUBMISSION CHECKLIST

- ☐ Completed, signed, and notarized Submission Affidavit / Bid Proposal, including all pricing, service information, and required acknowledgments
- ☐ Vendor References
- ☐ Completed Vendor Compliance Form Certifications
- ☐ Conflict of Interest Questionnaire, if applicable

EXHIBIT B**VENDOR COMPLIANCE FORM CERTIFICATIONS****INSURANCE**

Authorized Representative (Full Name and Title): _____

Vendor/Firm Name: _____

I certify that evidence of the required commercial general liability, workers' compensation, employer's liability, and business automobile liability insurance shall be provided to Leon County within ten (10) calendar days after Notice of Award and before any work begins.

Insurance Requirements:

The successful vendor shall maintain, at its sole cost and expense, insurance coverage in full force and effect throughout the entire contract term, including any renewal period. Required coverage shall not be less than the minimum limits stated below, unless higher limits or additional coverage are required by the solicitation, contract, purchase order, grant requirements, or applicable law.

Minimum coverage requirements are as follows:

<i>Coverage Type</i>	<i>Minimum Requirement</i>
<i>Workers' Compensation</i>	Statutory amount, as required by applicable law
<i>Employer's Liability</i>	\$500,000
<i>Commercial General Liability</i>	\$1,000,000 per occurrence, combined single limit for bodily injury and property damage, including premises and operations, independent contractors, personal injury, products and completed operations, and contractual liability
<i>Business Automobile Liability</i>	\$1,000,000 combined single limit for bodily injury and property damage, covering owned, non-owned, and hired vehicles

Insurance shall be issued by a company authorized to do business in the State of Texas and acceptable to Leon County. Coverage shall protect the public, Leon County, and County property from loss or damage arising from services performed by the vendor.

Leon County, Texas shall be named as additional insured on applicable policies. Workers' compensation and other applicable policies shall include a waiver of subrogation in favor of Leon County, its officers, officials, employees, and agents. The vendor shall provide certificates of insurance and all required endorsements to the Leon County Auditor's Office before performing any work or services on County property. The vendor shall provide updated certificates and endorsements upon renewal, replacement, cancellation, or material change of coverage.

If coverage is written on a claims-made basis, the vendor may be required to maintain extended reporting period coverage, or "tail" coverage, as determined necessary by Leon County.

The vendor shall require approved subcontractors performing work under the contract to maintain insurance coverage appropriate to the work performed and acceptable to Leon County. The vendor remains fully responsible for all acts, omissions, and work performed by subcontractors.

Failure to provide or maintain required insurance coverage may be considered a material breach of contract and may result in rejection of bid, suspension of work, withholding of payment, termination of contract, or any other remedy available to Leon County.

These insurance requirements do not limit the vendor's liability or responsibility under the contract. Leon County reserves the right to require additional insurance coverage, endorsements, or higher limits when deemed necessary based on the nature, scope, value, risk, or funding source of the work.

CIVIL RIGHTS COMPLIANCE

Nondiscrimination

The Vendor shall comply with all applicable federal and state nondiscrimination and equal-opportunity requirements and shall not discriminate against any employee, applicant, subcontractor, supplier, or person receiving services on the basis of race, color, national origin, sex, religion, age, disability, veteran status, or any other status protected by applicable law.

Subcontractors and Suppliers

The Vendor shall require each approved subcontractor and supplier performing under the contract to comply with the same applicable nondiscrimination and equal-opportunity requirements.

By signature on the Compliance Forms Signature Page, to the extent applicable, Vendor certifies that the information provided is true and correct and agrees to comply with these requirements.

HISTORICALLY UNDERUTILIZED BUSINESS CERTIFICATION

A Bidder that has been certified as a Historically Underutilized Business (also known as a Minority/Women Business Enterprise or "MWBE" and all referred to in this form as a "HUB") is encouraged to indicate its HUB certification status when responding to this Bid Invitation.

Please check (v) all that apply:

☐ I certify that my company has been certified as a HUB in the following categories:

☐ Minority Owned Business ☐ Women Owned Business

☐ Service-Disabled Veteran Owned Business (veteran defined by 38 U.S.C. §101(2), who has a service-connected disability as defined by 38 U.S.C. § 101(16), and who has a disability rating of 20% or more as determined by the U.S. Department of Veterans Affairs or Department of Defense)

Certification Number: _____

Name of Certifying Agency: _____

☐ My company has NOT been certified as a HUB.

By signature on the Compliance Forms Signature Page, to the extent applicable, I certify the information provided here is true and correct.

RESIDENT/NONRESIDENT CERTIFICATION

Chapter 2252, Subchapter A, of the Texas Government Code establishes certain requirements applicable to bidders who are not Texas residents. Under the statute, a "resident" bidder is a person whose principal place of business is in Texas, including a contractor whose ultimate parent company or majority owner has its principal place of business in Texas. A "nonresident" bidder is a person who is not a Texas resident. Please indicate the status of your company as a "resident" bidder or a "nonresident" bidder under these definitions.

Please check (v) one of the following:

☐ I certify that my company is a Resident Bidder.

☐ I certify that my company is a Nonresident Bidder.

If your company is a Nonresident Bidder, you must provide the following information for your resident state (the state in which your company's principal place of business is located):

Company Name: _____ Address: _____

City: _____ State: _____ ZIP Code: _____

1. Does your resident state require a bidder whose principal place of business is in Texas to underprice bidders whose resident state is the same as yours by a prescribed amount or percentage to receive a comparable contract?

☐ Yes ☐ No

What is the prescribed amount or percentage? \$ _____ or _____ %

CONDITIONAL STATUTORY AND FEDERAL COMPLIANCE PROVISIONS

Leon County includes these provisions in its solicitation documents for administrative consistency. Each provision applies only to the extent that the procurement, resulting contract, Vendor, contract value, funding source, scope of work, or subject matter falls within the applicable law or regulation.

The inclusion of a provision does not mean that it applies to every solicitation or Vendor. A provision that is not applicable imposes no certification or performance obligation and shall not, by itself, affect the responsiveness of a bid, proposal, or qualification statement. The Vendor shall comply with each provision that becomes applicable at solicitation, award, contract execution, renewal, amendment, extension, or issuance of a purchase order, work order, or notice to proceed. Leon County may request supporting documentation or a separate certification when reasonably necessary to determine applicability or verify compliance.

STATE-MANDATED BOYCOTT AND NONDISCRIMINATION VERIFICATIONS

The following verifications apply only to the extent required by Texas law. Unless an applicable statutory exception applies, each verification applies to a contract between a governmental entity and a company with ten (10) or more full-time employees when the contract has a value of \$100,000 or more and is paid wholly or partly from public funds.

Israel: As required by Texas Government Code Chapter 2271, Vendor verifies that it does not boycott Israel and will not boycott Israel during the term of the contract. "Boycott Israel" has the meaning assigned by Texas Government Code Section 808.001.

Firearm Entities and Trade Associations: As required by Texas Government Code Chapter 2274, and subject to applicable statutory exceptions, Vendor verifies that it does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of the contract against a firearm entity or firearm trade association.

Energy Companies: As required by Texas Government Code Chapter 2276, and subject to applicable statutory exceptions, Vendor verifies that it does not boycott energy companies and will not boycott energy companies during the term of the contract. "Boycott energy company" has the meaning assigned by Texas Government Code Section 809.001.

By signature on the Compliance Forms Signature Page, to the extent applicable, Vendor certifies that the foregoing verifications are true, complete, and accurate and that the signer is authorized to make these certifications on behalf of Vendor.

PROHIBITION ON CONTRACTS WITH CERTAIN FOREIGN-OWNED COMPANIES

Texas Government Code Chapter 2275 prohibits certain contracts or agreements relating to critical infrastructure in this state when a company would be granted direct or remote access to or control of critical infrastructure and the governmental entity knows that the company is owned by, controlled by, or headquartered in China, Iran, North Korea, Russia, or another country designated by the Governor. The prohibition applies only to contracts or agreements within the scope of Chapter 2275 and excludes access specifically allowed by the governmental entity for product warranty and support purposes.

By signature on the Compliance Forms Signature Page, to the extent applicable, Vendor certifies that it is not prohibited from contracting with Leon County under Texas Government Code Chapter 2275 and will promptly notify Leon County in writing if its status changes.

PROHIBITED COMPANIES AND FOREIGN TERRORIST ORGANIZATIONS

Texas Government Code Chapter 2252 prohibits a governmental entity from entering into certain contracts with a company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code Sections 806.051, 807.051, or 2252.153, subject to applicable statutory exclusions and exceptions.

By signature on the Compliance Forms Signature Page, Vendor certifies that it is not identified on an applicable Texas Comptroller list as a company prohibited from contracting with Leon County and will promptly notify Leon County in writing if its status changes.

CONDITIONAL FEDERAL CONTRACT PROVISIONS (EDGAR)**(2 CFR Part 200 and Appendix II)**

These provisions apply only to County purchases made in whole or in part with federal funds and only to the extent applicable to the contract type, amount, scope, and funding source. Unless the solicitation, addendum, contract, purchase order, work order, notice to proceed, or other written County document identifies federal funding, these provisions do not apply and need not be completed.

Federal funding may require additional agency-specific clauses, certifications, wage determinations, or forms. Vendor shall comply with all such requirements incorporated into the applicable solicitation, addendum, contract, purchase order, work order, or notice to proceed. Leon County may require separate certifications or documentation before award or performance.

Vendor Violation or Breach of Contract Terms: Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the General Terms and Conditions, as well as all additional terms and conditions in issued Purchase Orders. The remedies under the Contract are in addition to any other remedies that may be available under law or in equity.

Termination for Cause or Convenience: For any County purchase or contract in excess of \$10,000 made using federal funds, the contract shall address termination for cause and for convenience, including the manner by which termination will be effected and the basis for settlement.

The County may terminate or cancel any Purchase Order under this Contract at any time, with or without cause, by providing sixty (60) business days advance written notice to the Vendor. Leon County reserves the right to terminate upon breach of contract as allowed by law. If this Agreement is terminated in accordance with this Paragraph, the County shall only be required to pay Vendor for goods or services delivered to and accepted by the County before termination. If the County has paid Vendor for goods or services not yet provided as of the termination date, Vendor shall promptly refund the payment.

Equal Employment Opportunity: Except as otherwise provided under 41 CFR Part 60, all County purchases or contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 shall include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, as amended, and implementing regulations at 41 CFR Part 60.

Davis-Bacon Act and Copeland Anti-Kickback Act: When required by federal program legislation, County prime construction contracts in excess of \$2,000 shall comply with the Davis-Bacon Act, 40 USC 3141-3148, and Department of Labor regulations at 29 CFR Part 5. Applicable prevailing wage determinations shall be incorporated into the solicitation or contract. The Contractor shall also comply with the Copeland Anti-Kickback Act, 40 USC 3145, and 29 CFR Part 3, when applicable.

Contract Work Hours and Safety Standards Act: Where applicable, County contracts in excess of \$100,000 that involve the employment of mechanics or laborers shall comply with 40 USC 3702 and 3704 and Department of Labor regulations at 29 CFR Part 5, including applicable overtime and workplace-safety requirements.

Rights to Inventions Made Under a Contract or Agreement: If the Federal award meets the definition of a “funding agreement” under 37 CFR 401.2(a) and the County enters into a contract with a small business firm or nonprofit organization for experimental, developmental, or research work under that funding agreement, the Contractor shall comply with 37 CFR Part 401 and any implementing regulations issued by the awarding agency.

Clean Air Act and Federal Water Pollution Control Act: Contracts and subgrants exceeding \$150,000 shall require compliance with applicable standards, orders, and regulations issued under the Clean Air Act, 42 USC 7401-7671q, and the Federal Water Pollution Control Act, 33 USC 1251-1387. Violations shall be reported as required to the federal awarding agency and the appropriate Regional Office of the Environmental Protection Agency.

Debarment and Suspension: A federally funded contract award shall not be made to a party listed in the government-wide exclusions in the System for Award Management (SAM), in accordance with 2 CFR 180 and applicable federal requirements. Vendor certifies, when this provision applies, that Vendor is not debarred, suspended, excluded, or otherwise declared ineligible and shall promptly notify Leon County if its status changes.

Byrd Anti-Lobbying Amendment: Contractors that apply or bid for a federally funded award exceeding \$100,000 shall file the certification required by 31 USC 1352. Each tier shall certify to the tier above that it has not used Federal appropriated funds for prohibited lobbying and shall disclose lobbying with non-Federal funds as required.

Procurement of Recovered Materials: For federally funded purchases, Vendor shall comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, and 40 CFR Part 247 when applicable, including applicable requirements concerning recovered materials and solid-waste management services.

Domestic Preferences for Procurements: When appropriate and consistent with law, Vendor shall provide information reasonably requested by Leon County regarding whether goods, products, or materials are produced in the United States, consistent with 2 CFR 200.322.

Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment: To the extent applicable, Vendor shall comply with 2 CFR 200.216 and provide information reasonably requested by Leon County concerning covered telecommunications or video-surveillance equipment or services.

Profit as a Separate Element of Price: For federally funded purchases in excess of the simplified acquisition threshold, Leon County may be required to negotiate profit as a separate element of price under 2 CFR 200.324(b). When required, Vendor shall provide requested cost information and participate in the required negotiation, but the total price charged shall not exceed the awarded pricing unless otherwise lawfully amended in writing.

BYRD ANTI-LOBBYING CERTIFICATION

Complete this certification only when applicable to a federally funded award exceeding \$100,000.

The undersigned certifies to the best of his or her knowledge and belief that no Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding, extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

If funds other than Federal appropriated funds have been paid or will be paid to any person for lobbying in connection with the Federal award, the undersigned shall complete and submit Standard Form LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

The undersigned shall require that the substance of this certification be included in all applicable subawards at all tiers and that all subrecipients certify and disclose accordingly. This certification is a material representation of fact and is required by 31 USC 1352. Failure to file a required certification may subject the contractor to applicable civil penalties.

Please check the appropriate box:

☐ No non-Federal funds have been used or are planned to be used for lobbying in connection with this application, award, or contract.

OR

☐ Standard Form LLL, "Disclosure of Lobbying Activities," is attached and describes the use or planned use of non-Federal funds for lobbying in connection with this application, award, or contract. Executed this _____ day of _____, 20____

EXHIBIT C**CONFLICT OF INTEREST QUESTIONNAIRE**

If applicable, the Conflict of Interest Questionnaire required by Texas Local Government Code Chapter 176 must be completed and filed as required by law. The form is available from the Texas Ethics Commission and may be attached separately to this bid package. <https://www.ethics.state.tx.us/data/forms/conflict/CIQ.pdf>

CONFLICT OF INTEREST QUESTIONNAIRE For vendor doing business with local governmental entity		FORM CIQ
This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session. This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a). By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code. A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.		OFFICE USE ONLY
1	Name of vendor who has a business relationship with local governmental entity. 	
2	<input style="margin-right: 10px;" type="checkbox"/> Check this box if you are filing an update to a previously filed questionnaire. (The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)	
3	Name of local government officer about whom the information is being disclosed. Name of Officer	
4	Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relationship with the local government officer. Complete subparts A and B for each employment or business relationship described. Attach additional pages to this Form CIQ as necessary. A. Is the local government officer or a family member of the officer receiving or likely to receive taxable income, other than investment income, from the vendor? ☐ Yes ☐ No B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer or a family member of the officer AND the taxable income is not received from the local governmental entity? ☐ Yes ☐ No	
5	Describe each employment or business relationship that the vendor named in Section 1 maintains with a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more. 	
6	<input style="margin-right: 10px;" type="checkbox"/> Check this box if the vendor has given the local government officer or a family member of the officer one or more gifts as described in Section 176.003(a)(2)(B), excluding gifts described in Section 176.003(a-1).	
7	Name of signatory Signature Date	

CONFLICT OF INTEREST QUESTIONNAIRE

For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at <http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm>. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

(a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that

- (i) a contract between the local governmental entity and vendor has been executed; or
- (ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:

- (i) a contract between the local governmental entity and vendor has been executed; or
- (ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

(a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

- (1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);
- (2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or
- (3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

(1) the date that the vendor:

- (A) begins discussions or negotiations to enter into a contract with the local governmental entity; or
- (B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or

(2) the date the vendor becomes aware:

- (A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);
- (B) that the vendor has given one or more gifts described by Subsection (a); or
- (C) of a family relationship with a local government officer.

EXHIBIT D

FORM W-9 REQUEST FOR TAXPAYER IDENTIFICATION NUMBER

The awarded Vendor shall provide a current, completed IRS Form W-9 before vendor setup or payment. The official form is available at <https://www.irs.gov/pub/irs-pdf/fw9.pdf>.

EXHIBIT E

COOPERATIVE PURCHASING

Pursuant to applicable law, including Texas Government Code Chapter 791, Interlocal Cooperation Contracts, and Texas Local Government Code Chapter 271, Subchapter F, Cooperative Purchasing Program, Leon County may make the contract awarded under this solicitation available for use by other eligible governmental entities.

Should another eligible governmental entity elect to participate in this contract, would you, the Vendor, agree that the same terms, conditions, specifications, and pricing would apply?

☐ Yes ☐ No

Governmental entities utilizing this contract will be eligible, but not obligated, to purchase services under the contract awarded as a result of this solicitation, subject to their own applicable legal authority, governing body approval, purchasing requirements, and any required interlocal or cooperative purchasing agreement.

All purchases made by governmental entities other than Leon County shall be ordered, received, invoiced, and paid directly between the Vendor and the participating governmental entity. Leon County shall not be responsible for another governmental entity's orders, debts, obligations, payments, or performance under any purchase made through cooperative use of this contract.

EXHIBIT F

LEON COUNTY GENERAL TERMS AND CONDITIONS

SCOPE / APPLICABILITY: These General Terms and Conditions are intended for use with Leon County purchase orders, requests for proposals (RFPs), requests for qualifications (RFQs), request for bids (RFBs), requests for quotes, contracts, procurement attachments, vendor setup materials, and vendor billing or invoice-resolution communications, as applicable. For purposes of these Terms and Conditions, 'Procurement Document' means the applicable County purchase order, solicitation, quote request, bid package, proposal package, qualification request, contract, addendum, vendor setup document, invoice/billing communication, or other written County procurement document to which these Terms and Conditions are attached, incorporated, or provided. Providing these Terms and Conditions during vendor setup or billing resolution does not, by itself, create a contract or obligate County funds; County liability exists only when a purchase is properly authorized under County policy and applicable law.

I. APPLICABILITY, AUTHORITY, AND COUNTY OBLIGATION

1. FUNDING / NON-APPROPRIATION: Vendor recognizes that continuation of any purchase order, contract, or other County obligation during and/or after the close of any fiscal year of Leon County, which fiscal year ends September 30, is subject to Leon County Commissioners Court budget approval and appropriation of funds for the applicable purchase, contract, or expenditure. The County does not represent that any budget item will be adopted or remain adopted, as such determination is within the sole discretion of Commissioners Court. If funding is not approved or appropriated for any fiscal year during the term of the Procurement Document or resulting agreement, the County's obligation shall terminate and become null and void without penalty to the County.

2. PURCHASING / PROCUREMENT AUTHORITY: Leon County purchasing and procurement functions are administered through the Leon County Auditor's Office and through other authorized County representatives acting within the authority granted by Commissioners Court, County policy, and applicable law. No County officer, employee, department, or representative may bind Leon County to a purchase, contract, renewal, change, additional charge, or other financial obligation unless the purchase or obligation is properly authorized and supported by a valid purchase order, written contract, written notice to proceed, Commissioners Court approval when required, or other written authorization permitted by County policy and applicable law. Vendor proceeds at its own risk if it provides goods or services without proper written authorization.

3. ACCEPTANCE; APPLICABILITY; ORDER OF PRECEDENCE; VENDOR TERMS REJECTED: These General Terms and Conditions govern all Procurement Documents to which they are attached, incorporated, referenced, or provided, including purchase orders, RFPs, RFQs, RFBs, requests for quotes, contracts, procurement attachments, vendor setup materials, and vendor billing or invoice-resolution communications, as applicable. Submission of a bid, proposal, quote, qualification statement, vendor setup packet, invoice, shipment, commencement of work, fulfillment of any part of an order, or other conduct recognizing the existence of a County procurement or transaction constitutes acknowledgment of these Terms and Conditions, subject to County acceptance, award, approval, and legal authority. The County rejects any additional, inconsistent, or conflicting terms contained in Vendor's quote, invoice, website, click-wrap agreement, packing slip, acknowledgment, proposal, or other document unless expressly accepted in a written instrument signed by an authorized County representative.

4. MODIFICATIONS; ADDENDA; WRITTEN CHANGES ONLY: A purchase order, contract, solicitation, or these Terms and Conditions may be modified or rescinded only in writing signed or issued by authorized County representatives. For formal solicitations, only written addenda issued by the County may modify the solicitation. Vendor terms, quotes, invoices, acknowledgments, website terms, click-wrap terms, or other documents shall not modify County terms unless expressly accepted in writing by an authorized County representative.

5. SOLICITATIONS, FORMAL PROCUREMENT DOCUMENTS, AND NO OBLIGATION TO AWARD: When these Terms and Conditions are attached to or incorporated into an RFP, RFQ, RFB, request for quote, competitive sealed proposal, or other solicitation, they apply to the solicitation process and any resulting award, contract, or purchase order, except to the extent a more specific solicitation instruction, specification, evaluation factor, addendum, professional-services requirement, construction-delivery requirement, grant requirement, or statute controls. Issuance of a solicitation, receipt of a response, vendor setup, or negotiation does not obligate the County to award a contract, issue a purchase order, or pay any cost incurred by a respondent unless expressly authorized in writing by the County and permitted by law. The County may reject responses, waive immaterial irregularities, or cancel a solicitation as permitted by law and the solicitation documents.

6. VENDOR SETUP AND BILLING OR INVOICE ISSUES: When these Terms and Conditions are provided to a new or existing vendor for vendor setup, vendor maintenance, tax documentation, payment processing, invoice review, statement reconciliation, or billing dispute resolution, they provide notice of the County's standard procurement and payment terms. Vendor setup, acceptance of vendor forms, receipt of invoices, or communication about billing does not waive County purchasing requirements, does not ratify an unauthorized purchase, and does not create a County obligation unless the goods or services were properly authorized, received, accepted, documented, and payable under County policy and applicable law.

II. PRICING, PAYMENT, DELIVERY, AND ACCEPTANCE

7. WARRANTY OF PRICE:

a. The price to be paid by the County shall be the price agreed to in writing by the County. Seller warrants that such price is no higher than Seller's current prices on orders for products or services of the kind and specification covered by the applicable Procurement Document for similar quantities under similar conditions and methods of purchase. If Seller breaches this warranty, the prices shall be reduced to Seller's current prices on orders by others, or the County may cancel the purchase order or contract without liability to Seller except for goods or services accepted by the County.

b. Pricing from lawful interlocal agreements, cooperative purchasing contracts, state contracts, federal schedules, or other approved purchasing programs may be considered when authorized by County policy and applicable law. If cooperative or interlocal pricing is used, Vendor must identify the applicable contract, contract number, term, and pricing basis when requested by the County.

8. INVOICES AND PAYMENTS:

Payment is subject to Texas Government Code Chapter 2251, commonly known as the Prompt Payment Act. Unless a different lawful payment term is expressly stated in a written contract approved by the County, payment terms are Net 30 after the County receives a proper invoice and the goods or services have been received and accepted. Payment shall not be due until all required invoices, delivery documentation, receipts, and supporting instruments are submitted to Accounts Payable after delivery and acceptance. Invoices must state the purchase order number or other County reference number, if applicable, and should be mailed or submitted as directed by Leon County Accounts Payable, PO Box 898, Centerville, Texas 75833.

Do not include Federal Excise Tax, State of Texas Sales Tax, or County sales tax. Leon County is tax exempt and will furnish a tax exemption certificate upon request. Vendor shall cooperate in promptly correcting any tax charged in error.

The County may withhold or dispute payment for nonconforming goods or services, incomplete documentation, sales tax charged in error, or other amounts not authorized by the Procurement Document or applicable law. Vendor setup, receipt of vendor forms, or issuance of a vendor number does not create a right to payment unless a purchase has been properly authorized and accepted by the County.

9. OVERCHARGES / REFUNDS: If Vendor overcharges the County, charges an unauthorized amount, charges tax in error, or receives payment not authorized by the applicable Procurement Document, Vendor shall promptly issue a credit or refund to Leon County upon discovery or written notice by the County. This remedy is in addition to any other rights or remedies available to the County.

10. F.O.B. DELIVERY: All products offered shall be F.O.B. final destination, Leon County, Texas, with all delivery charges prepaid by Vendor unless the Procurement Document expressly states otherwise. The County does not accept C.O.D. or collect shipments. The agreed price shall include all charges, including freight, delivery, installation, set-up, packing, crating, and removal and proper disposal of delivery or set-up debris, unless otherwise expressly stated in the Procurement Document.

11. PLACE OF DELIVERY OR PERFORMANCE: The place of delivery or performance shall be as stated in the 'Ship To' block of the purchase order, the solicitation, the contract, a purchase change order, or other written County procurement document.

12. SELLER TO PACKAGE GOODS: Seller will package goods in accordance with good commercial practice. Each shipping container shall be clearly and permanently marked with: (a) Seller's name and address; (b) consignee's name and address; (c) Leon County purchase order number or other County reference number, if applicable; (d) container number and total number of containers, e.g., box 1 of 4; and (e) the container bearing the packing slip. Seller shall bear the cost of packing unless otherwise agreed in writing. Goods shall be suitably packed to secure the lowest practical transportation cost and conform to common carrier requirements and applicable specifications. Buyer's count or weight shall be final and conclusive on shipments not accompanied by packing lists.

13. SHIPMENT UNDER RESERVATION PROHIBITED: Seller is not authorized to ship goods under reservation, and no tender of a bill of lading will operate as a tender of goods.

14. TITLE AND RISK OF LOSS: For goods provided by Vendor, title and risk of loss shall not pass to the County until the County actually receives, takes possession of, inspects, and accepts the goods. If installation, configuration, or testing is required, acceptance shall not occur until such work is complete and the County determines that the goods or system are in good and acceptable working order. Inclusion of this term in a solicitation does not constitute acceptance of any goods, services, bid, proposal, or qualification submission.

15. RIGHT OF INSPECTION AND ACCEPTANCE: Goods and services are subject to inspection, testing, review, and acceptance by the County. The County reserves the right to reject or refuse acceptance of goods or services not in accordance with County instructions, specifications, drawings, data, solicitation requirements, contract terms, purchase order terms, or Seller's warranties, whether express or implied. Goods not accepted may be returned to Seller at Seller's risk and expense. Payment for any goods or services shall not be deemed final acceptance and shall be refunded or credited to the County if Seller cannot fulfill an acceptable order or if defects are later discovered within the warranty period.

16. NO PLACEMENT OF DEFECTIVE OR NONCONFORMING PRODUCT OR SERVICE: Every delivery of goods or performance of services must fully comply with all provisions of the applicable Procurement Document as to time, quality, quantity, specifications, and warranties. Any delivery or performance that does not fully conform constitutes a breach. Where the time for performance has not expired, Seller may reasonably notify Buyer of its intent to cure and may make a conforming delivery or performance within the agreed time, but not afterward unless approved in writing by the County.

III. WARRANTIES AND PRODUCT/SERVICE PROTECTIONS

17. WARRANTY OF PRODUCTS AND SERVICES: All products furnished under the applicable Procurement Document shall be warranted to be merchantable, of good quality, free from defects, fit for the County's intended purpose as described in the purchase order, solicitation, contract, specifications, or other County document, and satisfactory to the County. All services shall be performed in a good, professional, and workmanlike manner, in compliance with applicable industry standards. These warranties are in addition to, and not in lieu of, any express written warranties, statutory warranties, or other remedies available to the County.

18. WARRANTY OF PRODUCT SAFETY: Seller warrants that all products sold to the County conform to applicable federal, state, and local safety standards, including applicable standards promulgated under the Occupational Safety and Health Act of 1970. If products do not conform, the County may return the products for correction or replacement at Seller's expense or may cause correction to be made at Seller's expense if Seller fails to correct within a reasonable time.

19. NO WARRANTY BY BUYER AGAINST INFRINGEMENTS / INTELLECTUAL PROPERTY: Seller shall determine whether goods, software, materials, or services furnished under the applicable Procurement Document may give rise to any rightful claim of infringement, misappropriation, or violation of intellectual property or proprietary rights. The County makes no warranty that production, delivery, or performance according to County specifications will not give rise to such a claim. Seller shall promptly notify the County in writing if Seller believes infringement or similar claims may result. To the extent permitted by law, Seller shall defend, indemnify, and hold the County harmless from claims arising from infringement or misappropriation caused by goods, software, materials, or services furnished by Seller, except to the extent caused solely by County-provided specifications that Seller timely identified in writing as infringing before performance.

20. SPECIAL TOOLS AND TEST EQUIPMENT: If the price stated in the applicable Procurement Document includes the cost of any special tooling or special test equipment fabricated or required by Seller for the purpose of filling an order, such special tooling, equipment, and related process sheets shall become the property of the County and, to the extent feasible, shall be identified by Seller as County property.

IV. VENDOR COMPLIANCE, ETHICS, AND DISCLOSURES

21. COMPLIANCE WITH APPLICABLE LAW AND COUNTY POLICY: Vendor agrees that the applicable Procurement Document and any resulting purchase, contract, or vendor relationship are subject to, and Vendor shall strictly comply with, all applicable federal, state, and local laws, ordinances, rules, regulations, grant requirements, and Leon County purchasing policies and procedures.

22. GRATUITIES, BRIBES, AND KICKBACKS: Vendor certifies that no gratuities, bribes, kickbacks, gifts, entertainment, offers of employment, or anything of value were offered or given by Vendor or its agent or representative to any County officer, employee, or elected official with respect to this procurement, vendor setup, billing issue, solicitation, purchase order, or contract with the County. Any such conduct may be grounds for voiding the purchase order or contract, terminating the contract, rejecting a bid/proposal/qualification submission, disqualifying Vendor, and pursuing any other remedy available by law or County policy.

23. CONFLICTS OF INTEREST; CHAPTER 171 AND CHAPTER 176 DISCLOSURES: No County officer, employee, or agent shall participate in a procurement, vendor setup, billing review, purchase order, or contract in violation of applicable conflict-of-interest laws or County policy. Vendor shall comply, to the extent applicable, with Texas Local Government Code Chapter 171 and Chapter 176, including any required conflicts disclosure statement or questionnaire. Vendor shall promptly disclose any actual or potential conflict of interest known to Vendor. Any violation may render the purchase order or contract voidable, may result in rejection, termination, or disqualification, and may subject the parties to remedies or penalties provided by law.

24. CERTIFICATE OF INTERESTED PARTIES - FORM 1295: If required by Texas Government Code Section 2252.908 and applicable Texas Ethics Commission rules, Vendor shall complete and submit a Certificate of Interested Parties, Form 1295, before the County may execute or approve the contract, purchase order, or other covered transaction. Vendor is responsible for timely and accurate compliance with this requirement.

25. CERTAIN FOREIGN TERRORIST ORGANIZATIONS AND RESTRICTED COMPANIES: To the extent applicable, Vendor represents and warrants that it is not prohibited from contracting with the County under Texas Government Code Chapter 2252, including provisions relating to companies engaged in business with Iran, Sudan, or a foreign terrorist organization, and any applicable restricted vendor lists maintained by the State of Texas. Vendor shall not become prohibited during the term of any County purchase order, contract, or vendor relationship.

26. ANTI-BOYCOTT AND ANTI-DISCRIMINATION CERTIFICATIONS: To the extent applicable under Texas law, including Texas Government Code Chapters 2271, 2274, and 2276, Vendor verifies that it does not boycott Israel, will not boycott Israel during the term of the contract, does not boycott energy companies, will not boycott energy companies during the term of the contract, does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association, and will not discriminate against a firearm entity or firearm trade association during the term of the contract. These certifications apply only to the extent required by law and shall be interpreted in accordance with applicable statutory definitions, exemptions, contract-value thresholds, and company-size thresholds.

27. ADVERTISING AND USE OF COUNTY NAME: Seller shall not advertise, publish, issue a press release, use the County's name, seal, logo, or marks, or otherwise represent that the County endorses Seller or Seller's products or services without the County's prior written consent, except to the extent necessary to comply with a lawful request for information from an authorized federal, state, or local government representative.

V. INSURANCE, RECORDS, PUBLIC INFORMATION, AND SPECIAL PURCHASE TYPES

28. INSURANCE AND WORKERS' COMPENSATION: For on-site work, services on County property, construction, repair, installation, maintenance, or other work involving risk to persons or property, Vendor shall provide and maintain insurance meeting the requirements stated in the solicitation, contract, purchase order, or Leon County Purchasing Policies and Procedures Manual. Unless otherwise waived or modified in writing by the County, certificates of insurance must be provided before work begins, must name Leon County as an additional insured where required, and must include waiver of subrogation where required. Vendor shall comply with applicable workers' compensation requirements and shall not begin work until required insurance documentation is accepted by the County.

29. RIGHT TO AUDIT; RECORDS RETENTION: Leon County shall have the right to examine and audit the books, records, invoices, receipts, cost data, correspondence, contracting information, and other documents of Vendor that are directly related to the applicable Procurement Document, purchase order, contract, invoice, payment, billing issue, contract performance, or grant-funded transaction at any reasonable time and upon reasonable notice. Vendor shall maintain such records in accordance with generally accepted accounting principles and in a manner adequate to determine compliance with the applicable Procurement Document, purchase order, contract, invoice, grant requirement, and applicable law.

In accordance with Texas Government Code Chapter 552, including §§ 552.003 and 552.372, Vendor shall preserve and promptly provide to the County, upon request, contracting information and other records directly related to the applicable County procurement, contract, purchase order, invoice, payment, billing issue, contract performance, or grant-funded transaction.

Unless a longer period is required by applicable law, grant terms, litigation hold, audit, public information requirement, records retention requirement, or written contract, Vendor shall retain such records for at least four (4) years after final payment, contract closeout, expiration, or termination, whichever is later. This requirement is intended to support the County's rights and obligations under Texas Government Code Chapter 552 and applicable local government records-retention requirements, including Texas Government Code § 441.158.

30. PUBLIC INFORMATION ACT: Vendor acknowledges that the County is subject to the Texas Public Information Act, Texas Government Code Chapter 552. Information submitted to the County in connection with a solicitation, vendor setup, purchase order, contract, invoice, or billing issue may be subject to public disclosure unless an exception applies. Vendor is responsible for clearly marking any information it contends is confidential, proprietary, trade secret, or otherwise excepted from disclosure and for asserting and supporting any claimed exception with the Texas Attorney General or other authority when required by law. The County does not agree to keep information confidential except as permitted by law.

31. COOPERATIVE, INTERLOCAL, AND EXEMPT PURCHASES: When a purchase is made through a cooperative purchasing program, interlocal agreement, state contract, sole source, emergency purchase, professional services exemption, or other statutory exemption, Vendor shall provide documentation reasonably required by the County to support the procurement method, pricing, contract number, exemption, or other compliance requirement. Use of any such method does not waive the County's purchase order, budget, documentation, approval, or statutory compliance requirements.

32. FEDERAL, STATE, OR GRANT-FUNDED PURCHASES: If this purchase, solicitation, contract, or vendor transaction is funded in whole or in part with federal, state, or grant funds, Vendor shall comply with all funding-source requirements incorporated into the solicitation, contract, grant award, purchase order, or applicable addendum. For federal awards, this may include, as applicable, 2 C.F.R. Part 200 procurement standards and contract provisions; suspension and debarment requirements; domestic preference requirements; recovered materials requirements; prohibition on certain telecommunications and video surveillance services or equipment; Byrd Anti-Lobbying certification; access to records; equal employment opportunity; Davis-Bacon or prevailing wage requirements when required; Contract Work Hours and Safety Standards Act requirements; Clean Air Act and Federal Water Pollution Control Act clauses; and other required terms. If a Federal Contract Provisions Addendum is attached to or referenced by the purchase order, solicitation, or contract, it is incorporated by reference.

33. TECHNOLOGY, DATA, CYBERSECURITY, AND CONFIDENTIAL INFORMATION: For purchases, solicitations, contracts, vendor setup, or services involving software, cloud services, hosted systems, data processing, cybersecurity, telecommunications, video surveillance, confidential information, criminal justice information, health information, financial information, or access to County networks, Vendor shall comply with all County information-security requirements, applicable state and federal privacy and security laws, and any additional technology terms required by the County. Vendor shall not access, use, disclose, sell, or retain County data except as necessary to perform the order or contract and as authorized in writing by the County. Vendor shall protect confidential, sensitive, protected, or restricted County information from unauthorized access, use, disclosure, loss, or destruction and shall promptly notify the County of any actual or suspected unauthorized access, disclosure, or security incident involving County information.

VI. CONTRACT ADMINISTRATION, REMEDIES, AND LEGAL PROVISIONS

34. ASSIGNMENT-DELEGATION: The rights, duties, or obligations awarded or assigned to Vendor under a Procurement Document, purchase order, contract, solicitation award, or vendor relationship shall not be assigned, delegated, subcontracted, or transferred to another without prior written consent of the County Auditor's Office or other authorized County representative. Such consent shall not relieve the assignor of liability in the event of default by the assignee or subcontractor.

35. INDEPENDENT CONTRACTOR: Vendor is an independent contractor and is not an officer, employee, agent, partner, or joint venturer of Leon County. Vendor is solely responsible for the supervision, direction, compensation, taxes, benefits, insurance, workers' compensation, and conduct of Vendor's employees, agents, subcontractors, and representatives. Nothing in the Procurement Document shall be construed to create an employment, agency, partnership, or joint venture relationship between Vendor and Leon County.

36. WAIVER; NON-WAIVER; SURVIVAL: No claim or right arising out of a breach of the applicable Procurement Document may be waived or released unless the waiver or release is in writing and signed by the aggrieved party or authorized County representative. A waiver of one breach does not

waive any other breach or future breach. Any term that by its nature should continue after completion, cancellation, expiration, closeout, rejection, non-award, or termination shall survive, including warranties, audit rights, records retention, confidentiality, data protection, payment obligations for accepted goods or services, dispute resolution, venue, and compliance certifications.

37. FORCE MAJEURE: If by reason of Force Majeure either party is rendered unable wholly or in part to carry out its obligations under the applicable agreement, such party shall give notice and full particulars in writing to the other party within a reasonable time after occurrence of the event or cause relied upon. The affected obligation shall be suspended only during the continuance of the inability claimed and only to the extent actually affected, and the affected party shall use reasonable diligence to remove or overcome such inability. Force Majeure includes acts of God, strikes, lockouts or other industrial disturbances, acts of public enemy, governmental orders, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, hurricanes, storms, floods, washouts, droughts, arrests, restraints of government and people, civil disturbances, explosions, breakage or accidents to machinery, pipelines or canals, or other causes not reasonably within the control of the party claiming inability. Settlement of strikes and lockouts shall be within the discretion of the party having the difficulty and shall not require acceding to demands judged unfavorable by that party.

38. CANCELLATION FOR DEFAULT: The County shall have the right to cancel for default all or any part of the undelivered or unperformed portion of an order or contract if Seller breaches any term of the applicable Procurement Document, including warranties, delivery requirements, performance requirements, compliance requirements, or if Seller becomes insolvent, makes an assignment for the benefit of creditors, or becomes subject to bankruptcy or receivership proceedings. This right is in addition to and not in lieu of any remedies the County may have at law, in equity, under County policy, or under the applicable Procurement Document.

39. TERMINATION: The performance of work under an order or contract may be terminated in whole or in part by the County in accordance with this provision and any more specific termination provision contained in the applicable Procurement Document. Termination shall be effected by delivery to Seller of a Notice of Termination specifying the extent to which performance is terminated and the effective date. This right of termination is in addition to and not in lieu of the County's cancellation rights and other remedies.

40. DISPUTE RESOLUTION: Pursuant to Texas Local Government Code Chapter 271, Subchapter I, Contractor agrees that, before instituting any lawsuit or other proceeding arising from a dispute or claim of breach under a purchase order, contract, or other agreement subject to that subchapter, the parties will first attempt to resolve the claim by following the procedures applicable under that subchapter and any written County contract dispute process. Nothing in this clause waives any immunity, defense, limitation, or remedy available to the County.

41. VENUE AND GOVERNING LAW: The applicable Procurement Document and any resulting purchase order or contract shall be governed by the laws of the State of Texas. Venue for any litigation arising from or related to the Procurement Document, purchase order, contract, vendor setup, invoice, or billing dispute shall lie in a court of competent jurisdiction in Leon County, Texas.

42. SEVERABILITY: If any provision of these Terms and Conditions or any applicable Procurement Document is held invalid, illegal, or unenforceable, the remaining provisions shall remain in full force and effect to the maximum extent permitted by law.
