

LEON COUNTY COVID-19 DATA

TOTAL CASES

128

TOTAL TESTED	ACTIVE	RECOVERED	DEATHS
1177	45	82	1

The information the County bases our reports on is the official DSHS Region 7 line list that is emailed to our office each day that it is updated. Our office does not receive information to back up the online count that the state puts out on the DSHS online public Dashboard. Our office does receive back up documentation for the numbers we publish. Our reports do not currently include "probable" results, nor TDCJ numbers. Our numbers DO include cases that DSHS Region 7 has investigated.
