**LEON COUNTY
POLICY ON BREAKS & NURSING MOTHERS**

The Patient Protection and Affordable Care Act amended the Fair Labor Standards Act to require reasonable breaks for nursing mothers to express breast milk. The Texas Right to Express Breast Milk in the Workplace Act also imposes duties on public employers and, under the other state law, is applicable for the duration of a nursing mother's need to express breast milk. Leon County supports the practice of expressing breast milk.

Leon County will provide reasonable paid breaks for nursing mothers to express breast milk. The nursing mother will be allowed whatever time is needed to express breast milk.

The County will provide the nursing mother with a private location, other than a bathroom. The location will be shielded from view and free from intrusion and appropriate for expressing breast milk. The specific location will be determined on a case-by-case basis.

Leon County does not allow any retaliation against nursing mothers for asking for this break. Nursing mothers are entitled to this break for the duration of the time they are expressing breast milk. A reasonable accommodation will be given for the needs of employees who express breast milk. Employees of the county who need to express breast milk may not be discriminated against.

All other employee breaks are determined by each department head and are not required to be given. If your department provides you with a break, it may not be accumulated or used for time off. The Fair Labor Standards Act does not require any breaks other than for nursing mothers, however if paid breaks are provided for employees, nursing mothers must be given the same amount of paid break time.

Harassment includes unlawful, unwelcome words, acts or displays based on sex, including lesbian, gay, bi-sexual or transgender status, race, color, religion, national origin, age, genetic information, pregnancy, disability, family or military leave status or veteran's status. Such conduct becomes harassment when (1) the submission to the conduct is made a condition of employment; (2) the submission to, or rejection of, the conduct is used as the basis for an employment decision; or (3) the conduct creates an offensive, intimidating or hostile working environment or interferes with work performance.

Harassment is strictly prohibited by Leon County whether committed by an elected official, appointed official, department head, co-worker or non-employee with whom the county does business.

Employees who feel they have been harassed should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the harassment to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Every reported complaint will be investigated promptly and thoroughly. The official or department head to which a claim has been reported shall be responsible for seeing that prompt action is taken to investigate the claim.

Once the investigation is complete, the employee making the claim shall be notified of the result of the investigation and any actions which are to be taken.

All claims of sexual harassment shall be taken seriously and investigated promptly and thoroughly. While all claims of sexual harassment shall be handled with discretion, there can be no complete assurance of full confidentiality.

Employees who feel they have been sexually harassed should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the harassment to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Every reported complaint will be investigated promptly and thoroughly. The official or department head to which a claim has been reported shall be responsible for seeing that prompt action is taken to investigate the claim.

Once the investigation is complete, the employee making the claim shall be notified of the result of the investigation and any actions which are to be taken.

- b. Record the time, place and specifics of each incident, including any witnesses.
- c. Report continuing sexual harassment to the Elected Official or Appointed Official who is responsible for your department or to the County Judge or the County Attorney.
- d. If a thorough investigation reveals that unlawful sexual harassment has occurred, Leon County will take effective remedial action in accordance with the circumstances, up to and including termination.

Retaliation against an employee who reports sexual harassment or who cooperates as a witness in the investigation is prohibited by law as well as this policy.

Employees who feel they have been subjected to illegal retaliation should immediately report the situation to the elected or appointed official who is responsible for the department in which they work. If, for any reason, the employee feels that reporting the retaliation to the department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Reporting or failing to report claims in accordance with the procedure given in this policy shall not limit other legal recourse an employee may have in regard to sexual harassment charges.

**LEON COUNTY
POLICY ON WHISTLEBLOWER ACT**

POLICY

It is the policy of Leon County and its officials and supervisors to comply with the Texas Whistleblower Act (Tex. Gov't. Code Ann, 554.002(a) {Vernon 1999} which prohibits action against public employees who report official wrongdoing in good faith.

DEFINITION OF REPORTING OFFICIAL WRONGDOING

An employee may, in good faith, report an alleged violation of a Leon County Policy or federal or state law to his or her supervisor, or department head, unless all of these persons are the alleged perpetrators of the alleged violation of policy or law. If all of the listed persons are alleged to be involved in the violation, the employee may report the allegation to the County Attorney, District Attorney, or Sheriff. The county will investigate the reported activity.

An official, supervisor, department director, or any other employee is prohibited from taking adverse employment action against an employee who, in good faith, reports an alleged violation of county policy or federal or state law to a designated person, pursuant to this policy.

An employee who intentionally makes a false report of wrongdoing may be subject to discipline up to and including termination.

An employee who, in good faith, believes he or she is being subjected to retaliation based on a report of alleged wrongdoing under this policy should immediately contact the County Attorney, District Attorney, or County Judge. The county will investigate the reported activity.

An employee with a question regarding this policy should contact one of the above-mentioned officials.

PROHIBITED CONDUCT

An employee who in good faith has reported a violation of law by an official, supervisor, or another county employee may not be suspended, terminated, or have any adverse personnel action taken against him/her.

**LEON COUNTY
POLICY ON CELLULAR TELEPHONES**

PURPOSE

The purpose of the Cellular Telephone Policy is to establish the regulations and procedures under which employees of Leon County will utilize these devices in the conduct of official business and other specifically approved purposes.

Elected Officials/Department Heads and Managers are responsible for ensuring that their employees follow this policy.

This policy documents the appropriate use of cellular telephones and defines misuse. Users may be disciplined for non-compliance with this policy. In addition, users must recognize that the policy cannot govern every operating circumstance. As such, users must always employ good judgment relative to the use of cellular telephones, and report to the appropriate manager any special or unique circumstances not encompassed by this policy.

Leon County determines on a case-by-case basis the need for county provided cell phones. County cell phones are to be used for business purposes only. If an individual has been issued a county cell phone, all county work must be conducted on the county provide cell phone, not a personal phone. If an employee uses a personal cell phone, in lieu of a county issued phone to conduct county business, they are responsible to ensure all communication is properly saved in order to comply with all record keeping statutes.

Leon County prohibits the use of any cell phone while operating any vehicle. Employees should plan calls to allow placement of calls either prior to traveling or while on rest breaks.

Leon County bans all employees from texting while operating any county owned vehicle and equipment. County employees who are driving their own personal vehicle are also banned from texting while driving on county business. Federal law prohibits any CDL driver operating any vehicle over 10,000 GWR from texting with fines and penalties, up to including loss of CDL.

Employees in possession of a county owned cellular phone are required to take appropriate precautions to prevent theft and vandalism.

Each department may set their own rules and regulations regarding personal cell phone usage while at work.

Leon County may add to or change this policy at any time.

**LEON COUNTY
POLICY ON CELLULAR TELEPHONES**

AUTHORIZED USERS

The Leon County Commissioner's Court has delegated to county government elected officials/department heads the authority to authorize the staff use of cellular telephone service. Pursuant to County budget policy, adjustments to the operating budgets of County departments will be performed resulting in the appropriate establishment of funds to pay for official use. In every case, a department head shall carefully examine the need for a cellular telephone before authorizing such use. No person shall be considered an authorized user if his or her department head has not authorized such use, amended the departmental budget according to county policy, and obtained cellular service through the County Auditor's Office.

AUTHORIZED USE

The use of cellular telephones is permitted in the discharge of one's duties as an elected official or employee of Leon County. The use of a county-owned cellular telephone, except as permitted by county policy, is limited to "official business" purposes.

CARE OF COUNTY OWNED CELLULAR TELEPHONES

Any person assigned a county-owned cellular telephone shall take reasonable care of the device and ensure that the device remains in good working order. All new hire employees will participate in direct deposit. Anyone not on direct deposit will have their checks mailed. All employees are encouraged to utilize direct deposit. No one will be allowed to pick up checks from the Treasurer's Office. Pay stubs will be delivered to local department heads. All others will be mailed.

1. Each employee shall be required to fill out a timesheet to be turned in to his/her supervisor on the last day of each pay period. It is the responsibility of the supervisor to ensure that timesheets are properly filled out and submitted to the County Treasurer's office no later than 9:00 AM on the Monday following the last day of each pay period.
2. The time sheet prepared by the employee shall show an accurate record of all time worked and leave taken, whether paid or unpaid, for the pay period.
3. Time sheets should be properly filled out and submitted. Payroll may be adversely affected if improperly filled out, which would cause a delay in payment. All time sheets turned into the Treasurer's office, must be signed by both the supervisor and the employee before they will be processed. The Treasurer's office will process timesheets as submitted and received. Any errors on the timesheet by either the employee or supervisor that causes an adverse effect on an employee's pay check will be corrected on the next payroll.

OFFICIAL RECORDS

Payroll records held in the Treasurer's office are the official records for all employees.

REISSUANCE OF EMPLOYEE PAYCHECK

In the event there is a mistake or error in an employee's paycheck, that employee shall within one business day of becoming aware of such mistake or error; present the correction to the County Treasurer's Office, and request that a correction be made as needed.

Upon receipt of such correction, the Treasurer's Office shall verify and correct the mistake or error. Reissuance of an additional payroll amount is determined on a case-by-case basis.

FAIR LABOR STANDARDS ACT SAFE HARBOR

Leon County makes every effort to pay its employees correctly. Occasionally, however, inadvertent mistakes can happen. When mistakes do happen and are called to the Treasurer's Office attention, Leon County will promptly make any corrections necessary. Please review your pay stub when you receive it to make sure it is correct. If you believe a mistake has occurred or if you have any questions, please use the reporting procedure outlined below. If you are overpaid the county will make the necessary corrections at the next payroll.

Employees who are classified as non-exempt employees must maintain an accurate record of the total hours you work each day. It is the responsibility of each employee to verify that their time sheets are correct. Your timecard must accurately reflect all regular and overtime hours worked; any absences, late arrivals, early departures, and meal breaks. Do not sign your timecard if it is not accurate. When you receive each paycheck, please verify immediately that you were paid correctly for all regular and overtime hours worked each work week.

Non-exempt employees, unless authorized by your supervisor, should not work any hours that are not authorized. Do not start work early, finish work late, work during a meal break, or perform any other extra or overtime work unless you are authorized to do so. That time worked is to be recorded on your timecard. Employees are prohibited from performing any "off-the-clock" work. "Off-the-clock" work means work you may perform but fail to report on your timecard. Any employee who fails to report or inaccurately reports any hours worked will be subject to disciplinary action, up to and including termination. If anyone directs you to work without documenting your time worked, you must tell the Leon County Treasurer.

It is a violation of Leon County policy for any employee to falsify a timecard, or to alter another employee's timecard. It is also a serious violation of County policy for any employee, supervisor or official to instruct another employee to incorrectly or falsely report hours worked, or to alter another employee's timecard to under- or over-report hours worked. If anyone instructs you to

(1) incorrectly or falsely under- or over-report your hours worked, or (2) alter another employee's time records to inaccurately or falsely report that employee's hours worked, you should report it immediately to the Leon County Treasurer.

If you are classified as an exempt salaried employee, you will receive a salary which is intended to compensate you for all hours worked for the County. This salary will be established at the time of hire or when you become classified as an exempt employee. While it may be subject to review and modification from time to time, the salary will be a pre-determined amount that will not be subject to deductions for variations in the quantity or quality of the work you perform.

For exempt employees, your salary may also be reduced for certain types of deductions such as your portion of health, dental or life premiums; state, federal or local taxes, social security, retirement; or, voluntary contributions to a deferred compensation plan. In any workweek in which you performed any work, your wages may be reduced for any of the following reasons: 1) absence from work for one or more full days for personal reasons, other than sickness or disability; or 2) full day disciplinary suspensions for infractions of our written policies and procedures; or 3) full day for violating safety rules of a major significance; or 4) Family and Medical Leave or Military Leave absences; or 5) to offset amounts received as payment for jury and witness fees or military pay; or 6) the first or last week of employment in the event you work less than a full week.

If you are an exempt employee, in any workweek in which you performed any work, your salary will not be reduced for any of the following reasons: 1) partial day absences for personal reasons, sickness or disability; or 2) your absence because the facility is closed on a scheduled work day; or 3) your absence because of the County's operating requirements; or 4) absences for jury duty, attendance as a witness, or military leave in any week in which you have performed any work; or 5) any other deductions prohibited by state or federal law.

Please note it is not an improper deduction to reduce an employee's accrued vacation, personal or other forms of paid time off for full or partial day absences for personal reasons, sickness or disability.

If you have questions about deductions from your pay, please immediately contact your supervisor. If you believe you have been subject to any improper deductions or your pay does not accurately reflect your hours worked, you should immediately report the matter to the Leon County Treasurer. If you are unsure of who to contact or if you have not received a satisfactory response within five business days after reporting the incident, please immediately contact the Leon County Attorney. Every report will be fully investigated, and corrective action will be taken where appropriate, up to and including discharge for any employee(s) who violates this policy. In addition, the County will not allow any form of retaliation against individuals who report alleged violations of this policy or who cooperate in the County's investigation of such reports. Retaliation is unacceptable, and any form of retaliation in violation of this policy may result in disciplinary action, up to and including termination.

2. Part-time employees are not eligible to receive percentage raises as approved by the Commissioners Court.

DECLARED EMERGENCIES OR DISASTERS

At the courts approval, overtime can be paid to those employees that have physically worked over their required number of hours during a State Declared or County Declared Emergency.

**LEON COUNTY
POLICY ON “OTHER COMPENSATORY TIME” FOR 7 (K) EMPLOYEES**

LAW ENFORCEMENT PAY AND OVERTIME

Leon County Commissioners Court has adopted the 207(k) exemption under the Fair Labor Standards Act for certain law enforcement employees, which includes deputies and jailers. These employees have a work period of 14 days and overtime will be due after 86 physical hours are actually worked. Law enforcement employees’ salary covers all hours up to 86 hours in the 14-day work period. Paid leave taken shall not be counted in determining if overtime has been worked in any work period. Except in emergency situations, an employee shall be required to have authorization from their supervisor before working overtime.

The Leon County Commissioners Court has adopted the extended work period for law enforcement personnel authorized by the Fair Labor Standards Act §207(k). The work period is based on 14 consecutive calendar days beginning on Sunday, at 12:00 AM. A law enforcement employee will be paid a salary based on a minimum of 80 hours reported and a maximum of 86 actual hours worked, plus overtime for any authorized hours worked over 86 during a work period. Overtime may be paid at 1.5 times the regular rate as determined on the county’s annual budget. An employee will be paid his or her full salary if the employee reports at least 80 hours during a work period. Overtime will not accrue in any work period during which an employee uses sick, vacation, holiday or compensatory time until the number of actual hours physically worked reported during the work period exceeds 86.

A law enforcement employee must account for 80 hours during each work period, by reporting actual hours worked or sick, vacation, holiday or compensatory time. If an employee reports more than 80 actual hours worked during a work period, he or she will receive no additional salary compensation for the actual hours worked between 80 hours and 86; however, the county will provide an hour-for-hour straight time-off benefit for actual hours worked up to 86 hours during a work period. The county will not pay an employee any monetary value for the hour-for-hour straight time-off benefit upon separation from employment by the employee.

Except in an emergency situation, as determined by the commissioners’ court or the sheriff, an employee must obtain advanced authorization from his or her supervisor before working more than 86 hours in any work period to receive overtime compensation.

USAGE

Jailers and deputies may use this “other county compensatory hours” off at their discretion with supervisory approval. Also, jailers and deputies can use accrued “other county compensatory hours” to reach the minimum 80 hours in the event that the employee has not worked 80 hours in the 14-day work period. If there are no “other county compensatory hours” accrued (which will be used first), the employees may use vacation, sick or holiday time, as appropriate or federal compensatory time instead to reach the 80-hour minimum.

Compensatory time will only be calculated from “actual hours worked”. If an employee uses benefit (accrual) hours during a pay period, time exceeding 40, or 80 for law enforcement, will not count towards compensatory time. Benefit (accrual) hours will not be transferred into compensatory time accruals as straight time. An employee will need to use less benefit hours.

SEPARATION OF EMPLOYMENT

In the event of a separation of employment, the “other time” accrual will be reduced to zero and will not be paid out to the separating employee. The only method of utilizing this “other time” benefit is to take straight time off. Once notice of separation is given, no burning of time is allowed. An employee’s last day to physically work will be their effective termination date.

OVERTIME PAYOUT OR COMPENSATORY TIME

This policy has no bearing on paid overtime or compensatory time accrued in lieu of overtime payouts at time and one-half for all physical hours worked after 86 hours in the 14 day work period. Federal compensatory time at time and one-half will be treated and paid out in compliance with federal law.

Working or reporting to work, conducting county business or being on premises or in a county-owned, leased, or rented vehicle while under the influence of an illegal drug, alcohol or in an impaired condition.

Use or being under the influence of other drugs, including prescription drugs, over the counter drugs, and any substance which, when used, causes an altered psychological and /or physiological state where there is any possibility that use may impair the employee's ability to perform his/her job safely or may adversely affect his/her safety of others.

Any employee involved in a work-related accident where alcohol or drugs are believed to be a contributing factor will be tested and if the results prove positive, the employee will be terminated.

DRUG AND ALCOHOL POLICY, continued

Any employee who registers an alcohol concentration of 0.04 or greater and/or for illegal drugs at any level on any test administered by or for Leon County will be terminated. Refusal to take a test or cooperate in taking a test when directed by their supervisor is grounds for immediate dismissal. An employee who self refers them self for an alcohol or drug problem (prior to testing positive) and who wishes to seek counseling/rehabilitation or other assistance will not be terminated and will be sent to a substance abuse professional for evaluation at the employee's expense in a paid status (to the extent they have sick leave or choose to use their accrued vacation or comp. time). Subject to the exceptions (a), (b), (c) listed in the paragraph immediately following.

Drinking any alcoholic beverages while working for the county during your normal work schedule may result in your immediate discharge. It will not be a violation of this policy if an employee consumes alcoholic beverages at a banquet, reception or other social function, at which alcoholic beverages are served, although the employee is representing Leon County , where:

- a) Attendance is considered to be within the scope of the employee's job
- b) Such consumption does not impair the employee's ability to effectively serve as a representative of Leon County
- c) Attendance is part of your assigned duties, but you are not to violate any law by driving while intoxicated

An employee may be terminated by the county if he/she refuses to provide adequate breath or urine for alcohol testing without a valid medical explanation after he/she has been directed to be tested in accordance with the requirements of this policy, or who engages in conduct that clearly obstructs any testing procedures.

The Drug and Alcohol Administrator will receive the results of all drug tests and maintain the records under lock and key, separate from the employee's personnel file. Results of drug and alcohol testing will only be released to the Department Head or a supervisor if there is a need to know.

SUSPICION-BASED TESTING

Under the Influence shall be defined as having a blood alcohol concentration of .04 or more.

Reasonable Suspicion – If an employee is having work performance problems or displaying behavior that may be alcohol or drug related or is otherwise demonstrating conduct that may be in violation of this drug and alcohol policy where immediate action is necessary, the elected official or supervisor will require that employee to submit to breathe test or urinalysis. The following conditions might be signs of possible alcohol or drug use (not an all-inclusive list):

- Abnormally dilated or constricted pupils
- Glazed stare – redness of eyes (sclera)
- Flushed face
- Change of speech (faster, slower, slurred)
- Constant sniffing
- Increased absences
- Redness under nose
- Sudden weight loss
- Needle Marks
- Change in personality (i.e., paranoia)
- Increased appetite for sweets
- Forgetfulness, performance faltering, poor concentration
- Borrowing money from co-workers or seeking an advance of pay or other unusual display of need for money
- Constant fatigue or hyperactivity
- Smell of alcohol
- Difficulty walking
- Excessive, unexplained absences
- Dulled mental processes
- Slow reaction rate

Elected Officials or supervisors must take action if they have reason to believe one or more of the above listed conditions is indicated and that the substance abuse is affecting their employee's job performance or behavior. The following steps will be taken:

1. Confront the employee involved and keep him/her under direct observation until the situation is resolved. Inform the employee of the problem with his/her job performance and specific violations of the County Policy.
2. If the supervisor believes, after observing or talking to the employee, that the conduct or performance problem could be due to substance abuse, the employee will be immediately required to submit to a breath test or urinalysis. If the employee refuses to submit to testing for any reason, the employee may be terminated.
3. Employees will be asked to release any evidence, such as alcohol or drug paraphernalia, relating to the observation for further testing. Failure to comply may subject the employee to subsequent discipline, up to and including termination. All confiscated evidence will be receipted for with signatures of either the elected officials or supervisors as well as the employee.
4. The elected official or supervisor will **remove** the employee from the county work station and ensure that the employee is transported to an appropriate collection site and thereafter to the employee's residence. Under no circumstances will the employee be allowed to drive a vehicle until a confirmed negative test result is received.
5. The elected official or supervisor shall, within 24 hours or before the results of the controlled substance test are released, document the particular facts related to the behavior or performance problems and present such documentation to the Treasurer's Office for filing.

Post-Accident Testing –

All employees directly involved in an on-the-job accident or incident resulting in property damage and/or medical treatment may be required to be tested. This will be at the discretion of their elected official or supervisor.

Testing Procedures –

1. The employee will be escorted and driven to the designated facility for specimen collection and/or testing.
2. The employee will be required to follow the drug testing protocol of the medical facility providing the testing.
3. If the employee desires another test to be given, he/she may do so within 2 hours of the specimen being collected and the same specimen will be used. The cost of this request will be paid for by the employee. All initial costs will be paid for by Leon County.
4. The employee will be placed on paid administrative leave until the results of the test are known. The elected official or supervisor will make arrangements to ensure that the employee is safely returned to his/her residence.
5. Under no circumstances, unless required or authorized by law, will alcohol or drug testing information be released without written consent from the employee.

Each employee is expected to cooperate and consent to a drug test when requested under the terms of this policy. Refusal to consent to a drug and/or alcohol test when requested is cause for termination.

Any employee who violates this drug and alcohol policy shall be terminated.

**LEON COUNTY
POLICY ON ALCOHOL AND DRUG ABUSE
FOR CDL DRIVERS**

STATEMENT OF PURPOSE AND POLICY

Drivers are an extremely valuable resource for county's business. Their health and safety is a serious county concern. Drug or alcohol use may pose a serious threat to driver health and safety. It is, therefore, the policy of the county to prevent substance use or abuse from having an adverse effect on our drivers. The county maintains that the work environment is safer and more productive without the presence of alcohol, illegal or inappropriate drugs in the body or on county property. Furthermore, drivers have a right to work in an alcohol and drug-free environment and to work with drivers free from the effects of alcohol and drugs. Drivers who abuse alcohol or use drugs are a danger to themselves, their co-workers and the county's assets.

The adverse impact of substance abuse by drivers has been recognized by the federal government. The Federal Highway Administration ("FHWA") has issued regulations, which require the county to implement a controlled substance testing program. The county will comply with these regulations and is committed to maintaining a drug-free workplace. All drivers are advised that remaining drug-free and medically qualified to drive are conditions of continued employment with the county.

Specifically, it is the policy of Leon County that the use, sale, purchase, transfer, possession or presence in one's system of any controlled substance (except medically prescribed drugs) by any driver while on county premises, engaged in county business, while operating county equipment, or while under the authority of the county is strictly prohibited. FHWA stated that mandatory testing must apply to every person who operates a commercial motor vehicle in interstate or intrastate commerce and is subject to the CDL licensing requirement.

The execution and enforcement of this policy will follow set procedures to screen body fluids (urinalysis) conduct breath testing, and/or search all driver applicants for alcohol and drug use, and those drivers suspected of violating this policy who are involved in a U.S. Department of Transportation (DOT) reportable accident or who are periodically or randomly selected pursuant to these procedures. These procedures are designed not only to detect violations of this policy, but to ensure fairness to each driver. Every effort will be made to maintain the dignity of drivers or driver applicants involved.

Neither this policy nor any of its terms are intended to create a contract of employment or to contain the terms of any contract of employment. Leon County retains the sole right to change, amend or modify any term or provision of this policy without notice.

**LEON COUNTY
POLICY ON SEPARATIONS**

DEFINITION

A separation shall be defined as any situation in which the employer-employee relationship ends.

TYPES OF SEPARATION

1. All separations from Leon County shall be designated as one of the following types:
 - a. Resignation
 - b. Retirement
 - c. Dismissal
 - d. Reduction in force (layoff)
 - e. Death
 - f. Other

RESIGNATION

1. A resignation shall be classified as any situation in which an employee voluntarily leaves his/her employment with Leon County and the separation does not fall into one of the other categories.
2. Employees who are resigning should submit a written notice of resignation to his/her supervisor. Once notice of separation is given, no burning of time is allowed.
3. An employee that terminates employment prior to being employed with Leon County for at least 12 months, will be required to reimburse the County for certifications/trainings paid for by the County and all expenses and costs incurred by the County incidental there to. Reimbursement to the County will be taken out of your final paycheck.

RETIREMENT

1. A retirement shall be any situation in which an employee meets the requirements to collect benefits under the county's retirement program and voluntarily elects to leave employment with the county to do so.
2. An employee who is retiring should notify his/her supervisor of that intent at least thirty (30) days prior to the actual retirement date to help prevent delays in starting payment of retirement benefits.

**LEON COUNTY
POLICY ON SEPARATIONS (Continued)**

RETIREE REHIRES

(TCDRS requires at least a full calendar month break in service with no pre-arranged return)

Retired employees shall be eligible to apply for open positions with Leon County as long as the following provisions are met: 1) The retiree has been retired for at one full calendar month, 2) No prior arrangement or agreement was made between Leon County and the retiree for re-employment, and 3) strict adherence to normal leaving employment procedures were followed at the time of the employee's retirement.

The retiree must have a bona fide separation of employment and have been retired for a minimum of two full calendar months. A bona fide separation means there is no prior agreement or understanding between Leon County and the retiree that the retiree would be rehired after retirement. According to Rule 107.4 adopted by the TCDRS Board of Trustees, restrictions apply to elected officials, people employed for the same or different position in the same or different department, employee status changes, and independent contractors.

Newly elected officials who have recently retired from the county cannot draw their retirement because they have an arrangement to return to work for the county. Employees also cannot retire with an agreement to go work in a different department or different position. Changing employee status does not matter when determining if someone is still working for the county. Also, an employee cannot retire from the county with an arrangement to begin work as an independent contractor either.

Rehired retirees who did not have a bona fide separation of employment may owe a 10 percent excise tax and be required to repay all of their monthly retirement payments. Abusing the retirement provisions in such a manner would violate a qualification requirement for retirement plans under Section 401(a) of the Internal Revenue Code, potentially resulting in significant tax consequences for the employer, its participating members and those retired employees.

Any retiree who meets all other TCDRS requirements, who is rehired consistent with this policy, must establish a new membership with TCDRS and will be considered to be a new member for the purposes of beneficiary determination and benefit selections.

DISMISSAL

1. A dismissal shall be any involuntary separation of employment that does not fall into one of the other categories of separation.
2. Leon County is an “at will” employer and a supervisor may dismiss an employee at any time for any legal reason or no reason, with or without notice.

REDUCTION IN FORCE

An employee shall be separated from employment because of a reduction in force when his/her position is abolished or when there is lack of funds to support the position or there is a lack of work to justify the position.

DEATH

1. A separation of death shall occur when an individual dies while currently employed by the county.
2. If an employee dies while still employed by the county, his/her designated beneficiary or estate shall receive all earned pay and payable benefits.

OTHER

1. Any separation that does not fall into one of the previously outlined categories in this policy shall be designated as an “other” separation.
2. When a separation is designated as “other”, the supervisor shall provide details of the nature of the separation for the personnel records.

TERMINATION DATE

An employee’s effective termination date will be the last day the employee physically worked for the county.

NOTIFICATION

As soon as a supervisor becomes aware of separation from employment, or the intent to separate employment, by an employee, the supervisor shall be responsible for immediately notifying the County Judge, and the County Treasurer.

**LEON COUNTY
POLICY ON TRAVEL**

MEAL EXPENSES

A county employee, elected official, and department head will be granted \$25.00 per day for work related travel (meal) expenses, per full day of training, that necessitate an overnight stay. Pre-training and post-training travel days will be paid at a \$12.50 meal rate. Day trip meals are not reimbursable.

TRAVEL POLICY

1. Travel allowance will be reimbursed at the rate per mile as per the state mileage rate; excluding those receiving a monthly travel allowance. State mileage rate defined as all expenses associated with the use of the employee vehicle such as gas, maintenance, repairs and insurance. These payments are not meant to cover the entire cost of owning operating employee vehicle but rather the portion of expenses incurred during work related driving.
2. The number of reimbursable miles may not exceed the number of miles of the most cost – effective reasonably safe route between two duty points. In determining the most cost-effective reasonably safe route, a department head may consider the route that provides the shortest distance, the quickest drive time or the safest road conditions. Travel mileage requests submitted to the Auditor’s office will be processed for payment during the regularly scheduled Commissioners’ Court meeting prior to the travel. Required documentation must accompany the Leon County Travel Expense Request form. Mileage requests should be submitted no more than thirty (30) days and no less than two (2) weeks prior to travel date.

SUBMISSION OF TRAVEL EXPENSE REQUESTS

1. In order to receive a travel advance for county business travel, the Leon County Travel Expense Request form must be completed and submitted along with all required documentation to the Auditor’s office no more than thirty (30) days and no less than two (2) weeks prior to travel. Requests submitted to the Auditor’s office will be processed for payment during the regularly scheduled Commissioners’ Court meeting prior to the date of travel. The request form must be submitted no more than 10 days post travel for reimbursement. Receipts are no longer required.
2. When a travel advance has been granted and travel time has been reduced, a corrected Leon County Travel Expense Request form and reimbursement must be submitted to the Auditor’s Office within three (3) working days after return. (In accordance with TX Loc. Govt Code 154.025, excess travel advance funds not returned by employees become indebtedness to Leon County.)

PURPOSE

1. Commissioners Court recognizes that expenditure of public funds for travel is necessary to conduct county business. This policy establishes appropriate requirements, limitations and guidelines for county employee business travel. The purpose of this policy is to:
 - Establish the appropriate use, and limitations on use, of public funds for travel by employees
 - Ensure travel expenses of employees are for legitimate, reasonable business travel
 - Provide an expectation to employees to be conscientious of their use of public funds for travel
 - Require accountability for the use of public funds by county employees and officials

AUTHORITY

1. Upon adoption of this policy by Commissioners Court, the County Auditor shall be responsible for the implementation and interpretation of this policy, as well as enforcement of the policy, in accordance with Local Government Code 112.002, 112.006 and 112.007.
2. The County Auditor shall ensure compliance with this policy.
3. The County Auditor shall notify Commissioners Court whenever a change occurs in the optional standard mileage rate set by the IRS and the standard per diem rate set by the GSA.

SCOPE

1. This policy applies to all employees whose travel expenses are paid from public funds controlled by the county or county officials.
2. Travel expenses for persons not covered by this policy and travel parameters should be established and approved by Commissioners Court before the expense is incurred on a case-by-case basis.
3. **Lobbying:** Commissioners Court (or its duly appointed designee) will present official county policy and the county stance on legislative bills and issues to the Texas and U.S. Legislature. Unless specifically authorized by Commissioners Court, no other county official or employee is to expend public funds to communicate directly with a legislator or a member of their office staff in support of or in opposition to official county policy. Any county official or employee who chooses to meet with, discuss or otherwise attempt to influence legislative issues must do so at their own expense and in their individual or elected capacity, not as a representative of Leon County.

DEFINITIONS

1. **County Business**

Business travel for the purpose of conducting official authorized county business or professional/educational travel to attend meetings, conferences and training programs for professional growth and development as well as for the mutual benefit of the county.

2. **Employee**

Elected officials, appointed officials and paid employees of Leon County. This policy does not cover travel expenditures of volunteers, consultants or other person(s) representing the county unless specifically authorized by Commissioners Court prior to traveling.

GENERAL POLICY PROVISIONS

1. Qualifying travel expenses will be paid or reimbursed for an employee traveling on official county business, provided the employee keeps and submits invoices, receipts and all other required documentation for those expenses as specified in the Accounts Payable Policy.
2. All trainings must be related to their job duties. Any trainings not related to job duties that are verified by a job description will not be approved or paid for by the county.
3. The County will pay for an overnight stay the day before a conference or training only if traveling to the conference or training on the 1st day of the event would create a hardship on the elected official or employee. The County will not pay for an overnight stay on the day the conference ends.
4. The employee is responsible for any and all charges due to “no show” or cancelling deadlines not met and will not be reimbursed.
5. All expenses must be reasonable, necessary and have a valid business purpose.
6. Travel expenses are not allowed for two or more county employees on the same receipt. Each employee must pay for their own travel expenses. The reason for each paying for their own expense is due to Freedom of Information Act (FOIA) requests. Exceptions can be made by the County Auditor, if necessary.
7. Duplicate travel expense payments or reimbursements are prohibited. This would include payment or reimbursement of the same expense by both the county and an outside party or paying an expense using the county credit card and submitting a reimbursement for the same expense.
8. If travel expenses are being paid by another source, the employee may claim reimbursement for any travel expense allowed under this policy that is **not** reimbursed by the other source, with proper documentation.

9. Travel expenses paid from grant funds may have specific requirements. For grant-paid travel, consult with the County Auditor prior to travel. If the travel expenses allowed by this policy are greater than the grant reimbursement, the additional expenses not covered by the grant may be submitted for reimbursement, providing there are funds available in that employee's departmental budget.
10. Travel outside of the continental United States is prohibited without prior approval of Commissioners Court at least 45 days before the departure date of the trip.
11. Employees may, on occasion, combine personal and county travel on the same trip provided there is no additional cost to the county; personal travel is not reimbursed. An exception is allowed when an employee is to receive an award and a family member has been expressly invited to attend the ceremony by the awarding organization. The invitation must be submitted with the travel documents.
12. If an employee is combining personal and business travel, the county will only pay or reimburse expenses for the business travel portion of the trip. There should be no additional cost to the county for the personal travel. If there is any personal travel involved in a business trip, the employee shall seek the opinion of the County Auditor if there is any doubt as to the estimated cut off between personal and business travel.
13. If a county vehicle is used for transportation, the employee must follow all other applicable county policies and procedures.

GENERAL TRAVEL GUIDELINES

1. When evaluating travel costs, it is important to consider employee costs. Savings from inexpensive travel can be more than offset by excessive travel time that keeps the employee away from normal county duties. Saving a few dollars on an airline ticket is not warranted if the employee must leave a day early and the cost of time away from the job exceeds the airline ticket savings.
2. Travel should be scheduled well in advance, when possible, in order to take advantage of lower rates. Leon County is a tax-exempt entity. When traveling, employees should avoid incurring sales tax.
3. All records for travel and training using public funds are open to inspection under the Texas Open Records Act, unless otherwise prohibited by law.

COUNTY OFFICIAL AND DEPARTMENT HEAD RESPONSIBILITY

1. County officials and department heads are responsible for ensuring travel expenditures are valid and appropriate.

2. County officials and department heads should ensure budgeted travel funds are available before authorizing travel for an employee. If travel is authorized without budgeted funds available, the official or department head may be held personally liable for the expenses and responsible for reimbursing the county for any amount not budgeted.
3. County officials and department heads should send the fewest number of individuals required to a seminar, conference or meeting, taking into consideration department objectives or needs.
4. If there are any questions regarding this policy or there are unusual circumstances involved, the county official or department head should seek the County Auditor's opinion prior to travel.
5. Any exceptions to this policy must be approved by Commissioners Court prior to expenditure of public funds for travel.

EMPLOYEE RESPONSIBILITY

1. Employees should use good judgment and be conscientious of their use of public funds for travel. An employee on official county business should exercise the same care in incurring expenses and accomplishing official county business that a prudent person would exercise if traveling for personal business. Excess costs, indirect routes, delays or luxury accommodations unnecessary or unjustified in the performance of official county business are not considered as exercising prudence and **will not** be covered at the county's expense.
2. In accordance with this county policy and the procedures established by the County Auditor, employees traveling on official county business will be paid or reimbursed for reasonable expenses incurred if travel funds have been budgeted and are available.
3. Employees traveling on official county business must submit all required or requested receipts for audit and reimbursement or risk being held personally liable for their travel expenses.
4. Employees are personally responsible for any expense not allowed under this policy. If the disallowed expense has been charged on a county credit card, the employee shall promptly reimburse the county for that charge in a timely manner (within 2 business days after returning from travel).
5. Any employee found to be submitting false travel claims is subject to disciplinary action, up to and including termination and possible prosecution.
6. Reasonable accommodation requests needed under the Americans with Disabilities Act should be coordinated with travel, transportation, lodging, meals and conference officials, as necessary, to comply with the needs of the employee.

**LEON COUNTY
POLICY ON CREDIT CARD AND FUEL CARD**

PURPOSE

The purpose of this policy is to ensure that the functions of the Leon County Auditor's Office are integrated in a manner that provides assurance that credit card disbursements have been made only for authorized purposes and have been properly recorded. The County must at all times keep control over these credit card transactions to protect the County against misuse of public funds.

GENERAL GUIDELINES

1. The County Auditor's Office shall be the only department authorized to distribute and allow the use of the credit card to be used for County purposes.
2. Purchases will be made in accordance with the County's Purchasing Policy.
3. No cash advances shall be authorized on any card issued.
4. The County Auditor's Office shall be responsible for reviewing monthly reports to ensure that all card transactions are allowable.
5. The County Auditor's Office shall determine a monthly deadline for processing credit card statements that will ensure payments are made prior to the statement deadline.

THE LEON COUNTY CREDIT CARD POLICY

1. County purchasing cards may be used for lodging, forms of transportation with prior approval from Auditor's Office or conference registration. Cards shall be requested, in writing, in advance and obtained from the County Auditor's Office by the employee traveling. Cards shall be returned, along with all receipts at the immediate conclusion of county travel.
2. County gas cards shall be used to purchase fuel and minor repair items for county owned vehicles only. **ONLY**, with the exception of County Commissioners and County Sheriff who use their personal vehicles for county business. Each fuel credit card, with the exception of the County Commissioners and County Sheriff, will be assigned to a specific county vehicle and is to be used exclusively for that vehicle while on official county business. **The use of the fuel card shall be restricted to the purchase of fuel for official county business ONLY for all individuals.** (This policy coincides with the Purchasing Policy approved on September 26, 2018)
3. Those employees whose responsibilities include the possession of a County credit card are responsible for the safekeeping of that card.
4. County credit cards are only to be used for Leon County expenditures, within the budgetary guidelines established by the County Judge and Commissioners

5. All purchasing policies of the County shall be followed when using the credit card including receiving a purchase order and bidding requirements prior to checking out the credit card from the County Auditor's Office.
6. The credit card shall be checked out from the County Auditor's Office and must be returned promptly.
7. Each employee is responsible for providing original **detailed** receipts for each credit card transaction (not simply an acknowledgement of the credit card transaction), so that these transactions can be recorded as a valid expenditure of the Leon County. If an original receipt (or a certified copy) cannot be obtained, the employee will be held personally liable for these expenditures.
8. Employees are responsible for turning in their detailed receipts for payment prior to the deadline established by the County Auditor's Office. Any late fees incurred on the card because of failure to turn in the receipts before this deadline will be the personal liability of the employee. Payments or reimbursements are due upon immediately.
9. Employees shall make every effort to avoid paying sales taxes on credit card transactions. Copies of the tax-exempt certificate for the State of Texas can be obtained in the County Treasurer's Office.

Non-compliance with this policy may result in the employee's credit card use privileges being revoked, as well as possible disciplinary action.

LEON COUNTY POLICY ON COUNTY OWNED COMPUTERS

SOFTWARE LICENSE

Leon County purchases licenses for ALL computer systems and software required for conducting business. Any program installed on a county computer system must be licensed in accordance with the manufacturer and tracked by the Auditor's office. Every piece of software is licensed and assigned to only one computer. General rules concerning software:

1. Unless authorized by the Auditor's office do not install software assigned to another computer.
2. Software programs must not be brought in from another work center or from home.
3. If a software package is needed to perform your function, contact your department head who will request the Auditor's office to obtain it.
4. Leon County prohibits the illegal duplication of software and the related documentation in any form.

SECURITY

Individuals are given access to computers and information based on the needs of their work centers. The individual account owner is responsible for the proper use of this account, including proper password protection. Non-county employees will not be given access to computer accounts unless under strict controlled circumstances. Only the owner or administrator of that account module can grant this. Password sharing is prohibited. Employees should contact Techbundle to change passwords.

Leon County is now a network sharing system, which means, all county computers and resources are interconnected for the purpose of sharing data files. Programs and data files on other computers are for authorized users only. Files may only be accessed if they have been explicitly made available to employees. Employees cannot obtain copies, look into, modify, delete, or tamper with in any way any data, software, or computer systems, belonging to another agency or persons unless employees have the permission to do so.

Our wireless network is designed to enable connectivity to County devices only. To protect network security and integrity, all network wireless devices, including wireless modems, must be approved by Techbundle prior to installation.

RESOURCES

Leon County is connected to the Internet via high-speed data connection. The speed of this service is determined by the amount of data passing through it at any one time. Unnecessary or unauthorized Internet usage causes network and server congestion. It slows other users, takes away from work time, consumes supplies, and ties up printers and other shared resources. Therefore, each employee must use this service responsibly. Radio stations that broadcast over the Internet using such programs as Pandora should be used sparingly due to the amount of bandwidth it takes up. Also, online gaming, chat lines, telephony, and video are prohibited unless business-related.

When at all possible, employees should schedule communications-intensive operations such as large files transfers, video download, mass emailing and the like for off-peak times.

The use of county printers, paper, and other associated property for other than county related business is prohibited subject to the discretion of the department head.

Leon County has installed a firewall to assure the safety and security of the county's networks. Any employee who attempts to disable, defeat or circumvent any county security facility will be held accountable. Only those Internet services and functions with documented business purposes for Leon County will be enabled through the Internet firewall.

COMPUTER REPLACE/REPURPOSE POLICY

Leon County will attempt to repurpose existing approved IT computers/equipment under three years old where possible. If a piece of equipment meets the age criteria, the department head will/shall contact the Auditor's office to initiate the process.

PURCHASING PROCESS/POLICY

New computers and/or software will be charged to individual department cost centers, unless deemed otherwise by the Commissioners Court.

Before selecting a new software vendor, department heads are encouraged to meet with the IT Committee to share information on their preferred vendor and to ensure IT compatibility with existing infrastructure.

Before any grant monies are approved for any IT hardware or software expenditures, all grant money vendors and purchases must be approved by the IT Committee, then the Commissioners' Court prior to purchase, unless directed otherwise by the Commissioner Court. The IT Committee shall work with the department head to ensure purchases and contracts will be compatible with existing IT network and infrastructure, as well as in compliance with IT security regulations.

REPORTING IT TROUBLE

To report issues with IT software or equipment, department heads will/shall report the issue by sending an email to team@techbundle.com, and courtesy copy a representative of the Auditor's office.

THE INTERNET

Leon County provides access to the vast information resources of the Internet to help employees do their job and be a well-informed business citizen. The Internet itself is a global network of computers and resources, which has no control over its content or users. It contains a diverse range of material, which may be objectionable or offensive. This Internet usage policy is designed to help employees understand the county's expectations for the use of those resources in the particular conditions of the Internet, and to help employees use those resources wisely.

LEON COUNTY'S INTERNET USAGE PHILOSOPHY

First and foremost, the Internet for Leon County is a business tool only, provided to employees at significant cost. Leon County expects employees to use Internet access primarily for business-related purposes, i.e., to communicate with customers and suppliers, to research relevant topics and obtain useful business information. Employees should conduct themselves honestly and appropriately on the Internet, and respect the copyrights, software licensing rules, property rights, privacy and prerogatives of others, just as anyone would in any other business dealings. Employees should always remember that any data transmitted or received on county systems is considered part of the official public record and as such is subject to disclosure by law enforcement and authorized third parties.

The first and foremost rule to using the Internet is for employees to remember that all existing county policies apply to conduct on the Internet, especially (but not exclusively) those that deal with intellectual property protection, privacy, misuse of company resources, sexual harassment, information and data security, and confidentiality.

Leon County has software and systems in place that filter, monitor and record all Internet usage. Our security systems are capable of recording (for each and every user) each World Wide Web site visit, each chat, newsgroup or email message, and each file transfer into and out of our internal networks, and we reserve the right to do so at any time. No employee should have any expectation of privacy as to his or her Internet usage. System administrators as required to protect the integrity of the computer system may access computer systems and files. Leon County is sensitive to the legitimate privacy rights of the employees; every effort will be made to guarantee that workplace monitoring is done in an ethical and respectful manner.

This company's Internet facilities and computing resources must not be used to violate the laws and regulations of the United States or any other nation, or the laws and regulations of any state, city, province or other local jurisdiction in any material way. Use of any company resources for illegal activity is grounds for immediate dismissal, and Leon County will cooperate with any legitimate law enforcement activity.

The display of any kind of sexually explicit image or document on any county system is a violation of our policy on sexual harassment. In addition, sexually explicit material may not be archived, stored, distributed, edited or recorded using our network or computing resources.

Because a wide variety of materials may be considered offensive by colleagues, customers or suppliers, it is a violation of county policy to store, view, print or redistribute any document or graphic file that is not directly related to the user's job or the county's business activities.

If employees find themselves connected incidentally to a site that contains sexually explicit or offensive material, they must disconnect from that site immediately, regardless of whether that site had been previously deemed acceptable by any screening or rating program.

Each employee using the Internet facilities of the county shall identify himself or herself honestly, accurately and completely (including one's county affiliation and function where requested) when participating in chats or newsgroups, or when setting up accounts on outside computer systems.

Employees with Internet access may download only software with direct business use and must arrange to have such software properly licensed and registered. No employee may use county facilities to download or distribute pirated software or data.

Employees with Internet access may not use county Internet facilities to download entertainment software or games, or to play games against opponents over the Internet.

Employees with Internet access may not use county Internet facilities to download images or videos unless there is an express business-related use for the material.

SOCIAL MEDIA POLICY

Employees should not use county computers, or any county issued cell phone, to access any social media (such as Facebook, Twitter, Instagram, Snapchat, etc.) unless given specific permission by the department head to use social media for County use.

As such, most social media sites will be blocked on county computers unless the department head specifically grants access through the county's IT vendor. Additionally, all social media sites, identities, and pages on Twitter, Facebook, Instagram, etc. that represent Leon County departments should be managed solely by Leon County employees to reduce any liabilities.

ELECTRONIC MAIL (EMAIL)

Leon County strives to maintain a workplace free of harassment and sensitive to the diversity of its employees, therefore the county prohibits the use of the computer email system in ways that are disruptive, offensive to others, or harmful to morale. Leon County prohibits transmissions of sexually explicit images, messages, or cartoons. Other misuse includes but not limited to, ethnic slurs, ethnic jokes, racial comments, off-color jokes, or anything that may be construed as harassment or showing disrespect for others.

Email may not be used to solicit others for commercial ventures, religious or political causes, outside organizations, or any other non-business-related matters.

Abuse of the Internet access provided by Leon County in violation of law or Leon County policy will result in disciplinary action, up to and including termination of employment.

A County email address will not be issued or assigned to a non-County employee, for any reason.

ELECTRONIC MAIL (EMAIL) - ENCRYPTION POLICY

Several offices within Leon County Government manage and maintain records with sensitive data, such as social numbers, driver license numbers, medical records, etc. Records or data containing this information should follow strict protocol; *please consult your department head prior to sending any information that may contain sensitive data!*

Our email system complies with several requirements regarding data management from various laws. To ensure compliance, all emails regarding county business should be sent from your Leon County email (john.smith@co.leon.tx.us), and **not** your personal email.

Employees may also be personally liable for any violation of this policy. The following behaviors are examples of actions or activities that are prohibited and can result in disciplinary actions.

- Sending or posting discriminatory, harassing, or threatening messages or letters
- Using business time and resources for personal gain
- Using someone else's password or login without authorization
- Failing to observe licensing agreements
- Viewing or exchange of pornography or obscene materials
- Using the Internet for any form of gambling

ONE FINAL NOTE ON EMAIL

Email is the most dangerous security problem in the county. Viruses are so commonplace with most being delivered through email. These viruses are now using the network to look for open servers to bring down and other machines to infect.

This means that all county employees have the responsibility of using the county Email system securely and properly. This means never send attachments that are not business related. If you receive an attachment that was not requested, do not open it, delete it. Never sign up for non-business ventures (Joke of the Day, Words to live by, etc.). If you are getting unsolicited emails (SPAM) please request that you be removed from their mailing list.

Due to the severe virus threat the county Email system is to be used for business communications only. At this point Leon County has no other choice but to begin monitoring of email accounts in an attempt to lower the amount of viruses caused by careless use of this dangerous service.
