

Notice of Tax Rates

This notice concerns the 2021 property tax rates for County of Leon. This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

This year's adjusted no-new-revenue tax rate	\$0.420177/\$100
This year's total voter-approval tax rate	\$0.446030/\$100

State Criminal Justice Mandate

The County of Leon County Auditor certifies that County of Leon County has spent \$511 in the previous 12 months for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. County of Leon County Sheriff has provided County of Leon information on these costs, minus the state revenues received for reimbursement of such costs. This increased the voter-approval rate by 0.000025/\$100.

Indigent Defense Compensation Expenditures

The County of Leon spent \$70,299 from July 1, 2020 to June 30, 2021 to provide appointed counsel for indigent individuals, less the amount of state grants received by the county. In the preceding year, the county spent \$27,412 for indigent defense compensation expenditures. The amount of increase above last year's indigent defense expenditures is \$42,887. This increased the voter-approval rate by 0.000067/\$100 to recoup 5% more than the preceding year's expenditures.
